unforgettable testament to the healing power of Angels Growing up in the suburbs of Dublin Aidan Storey was the youngest of seven a much loved happy child who enjoyed family life But there was one difference between Aidan and his friends When everyone left Angels visited Aidan Unafraid of the beautiful luminous spirits that watched over him it wasn't until much later that Aidan realized not everyone could see what he could and not everyone shared his exceptional gift for healing In this remarkable memoir Aidan vividly recalls how the presence of Angels sustained him through years of great turmoil when his happy carefree world turned into one of misery and torment As he recalls the sexual and mental abuse he suffered at the hands of two teachers in his Christian Brothers primary school and the isolation which followed Aidan tells how the Angels helped him find his way back to life and through the power of divine healing taught him how to bring light and love into his life and the lives of many others

Alpha and Omega God Mathewos T. Abera, 2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now
