Overcoming Anger in Teens and Pre-Teens Richard L. Travis,2012-08-12 We live in a complex fast paced world with lots of demands placed on us everyday We often forget that our children are also faced with lots of demands everyday and live in this same fast paced complex world This book explains why as adults and as parents we should be paying closer attention to our children s behavior Many Teens and Pre Teens are displaying symptoms of Anger and we aren t aware of it This book is your eye opener If your child isolates screams at you hides cuts himself has poor scholastic results fights with other children is demanding or has suffered traumas or losses then this book will help you This book states in clear concise fashion the causes and symptoms of anger in children It also explains how this anger untreated can cause health and mental health problems as well as scholastic and relationship problems As you read this book you should be able to use this information to get a sense of hope and control back in your life This can only be done by developing an Action Plan using the information contained in this book to aggressively deal with your child s behavior The various types of professional help including various medications are also included in this book as these interventions are often necessary

Anger Management for Parents Elaine A. Hendrickson,2021-06-26 If you want to know how you can effectively manage your anger as a parent then keep reading Are you someone who cannot keep themselves calm when the kids do something wrong Do you instant shout or scream at them instead of dealing with the situation positively If yes then you probably have anger management issues and you need to do something about it if you don t want to harm your child s upbringing This book is filled with advice for all parents who are looking for ways to curb their anger The first and foremost step of managing anger is recognizing it but that might not seem as easy as it sounds to everyone So this book will also provide you with some signs that you should look out for Once you have identified your anger and the underlying reasons you are ready to move forward with applying other strategies This might not be the first place you stumbled upon on the internet as a remedy for your anger But I am guessing that the other things didn t work or else you wouldn t be looking for a solution Trust me I have gone through all the lists on the internet that promise to help you manage your anger But those lists are barely of any help because they don t look deeper On the other hand you have proven strategies at your disposal in this book that will eradicate your anger issues right from their roots If you don t love to read long and boring texts you are in for a treat because this book has been divided into effective chapters and sub chapters that have broken down all the necessary information into small

chunks This makes reading and understanding the text easier You don t have to spend so much energy trying to understand the jargon Here is a summarized version of all the key points which have been mentioned in this book How to understand that you are facing anger issues How to deal with kids who get angry very easily How to manage toddlers who are too greedy Anger management strategies for all parents Seeking therapy And more Even if you think that you are not a perfect parent and anger management is not your cup of tea let me tell you something no one in this world is perfect Every parent has flaws So don t let your thoughts make you feel like a failure You need to work on managing your anger instead of focusing on perfection In this book you will find a wide array of advice pertaining to anger management for parents Not everything might be suitable for your situation If something is not working out for you leave it and try some other strategy The main aim is to not give up and keep trying Don t let your anger make you think you are a bad parent If you want to deal with your anger issues all you have to do is scroll up and click on the Buy Now button *Anger Management for Parents* Louis Snow,2024-02 In the maze of parenthood where emotions whirl and problems abound *Anger Management for Parents* Nurturing Patience and Peace serves as a compass guiding parents through the practice of emotional resilience Dive into the pages where triumphant experiences and intelligent techniques intersect providing a road map for transforming wrath into patience and turmoil into harmony Discover how to recognize triggers navigate family dynamics and embrace constant learning This guide delves deeply into the transforming power of self discovery and the dynamic dance of emotional well being providing practical methods for navigating the ever changing terrain of parenting But the trip does not stop here You grip the conductor s baton as the orchestra plays on In these pages you will find not just answers but also the secret to unlocking your inner wisdom and strength As you turn the pages may you discover the resilient flexible and patient parent within Are you ready to alter your parenting experience *Anger Management for Parents* is more than simply a guide it s a partner in your quest for a peaceful family life Don t pass up the opportunity to tap into the collective wisdom real life tales and expert insights found inside these pages Give yourself the tools you need to manage your anger accept change and promote emotional well being Your journey to patience and tranquility begins with a simple decision invest in the transformational potential of this guide Unleash your full potential and let this guidance serve as a catalyst for a flourishing resilient and joyful family life Take the next step in your parenting adventure by purchasing *Anger Management for Parents* today and begin on a journey that goes beyond the ordinary resulting in the amazing harmony your family deserves
