Anglican Daily Bible Guide 2015

Bob Perelman

Anglican Daily Bible Guide 2015:

Practicing Life Together Paul Gutacker, 2025-09-02 You don't have to go it alone after college nor should you. This book invites emerging adults to consider participating in a common rule that will guide their growth and cultivate genuine community. A rule of life is like a trellis. It's a standard offering guidance and encouraging growth in the right direction. It's a way of living intentionally of committing to spiritual disciplines that are too important to leave up to our day to day whims. Dietrich Bonhoeffer discerned that Christian community is not an ideal which we must realize it is rather a reality created by God in Christ in which we may participate. Christians don't have to go it alone during the formative years after college it's possible to practice life together. Gutacker introduces practices we can take up with others: communal prayer, weekly dinners, studying together, and Sabbath in the hope that these can become life-shaping habits. *Grounded in the Body, in Time and Place, in Scripture* Jill Firth, Denise Cooper-Clarke, 2021-02-01

In my bibliographies there are no women in the evangelical tradition and no Australian women scholars. This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition. The authors consider our relationship with the land and Indigenous peoples, neighborhood embodiment, disability, abortion, leadership, work, architecture, the media, Song of Songs and domestic violence, and Jeremiah and weaponized rape, and demonstrate recent methodologies such as a social identity reading of Exodus, sensory readings of Psalms and John's Gospel, and discipleship readings of Mary and Martha and the woman at the well. A contemporary Kriol psalm and stories of pioneering Australian women, theological students and teachers complete the volume. Valuable for students and teachers across Bible, theology, ministry and practice subjects, this book is an essential inclusion in any theological library.

Explorations in Twentieth-century Theology and Philosophy Ann Loades, 2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past, notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L. Sayers, as well as advancing the study of better known Anglican forebears C. S. Lewis and Austin Farrer, always with her own distinctive concerns. A key interpreter of the Anglican tradition and with a keen eye to ensure the full recognition of women, these studies by Ann Loades are essential reading in Anglican, feminist, and twentieth-century theology. *Growth and Decline in the Anglican Communion* David Goodhew, 2016-12-15 The Anglican Communion is one of the largest Christian denominations in the world. *Growth and Decline in the Anglican Communion* is the first study of its dramatic growth and decline in the years since 1980. An international team of leading researchers based across five continents provides a global overview of Anglicanism alongside twelve detailed case studies. The case studies stretch from Singapore to England, Nigeria to the USA, and mostly focus on non-western Anglicanism. This book is a critical resource for students and scholars seeking an understanding of the past, present, and future of the Anglican Church. More broadly, the study offers insight into debates surrounding secularisation in the contemporary world. **Rose**
