God in Our Relationships Rabbi Dennis S. Ross, 2011-12-06

Deepen connections with the people you love Build relationships with the people you meet We can go through each day or a lifetime as sleepwalkers while awake tossing and turning on pillows that are as hard as appointment books wandering a paved spiritual wilderness from bank window to house of worship to hospital bedside But if we are fortunate enough to happen upon a vision of the Divine in a chance chat with a semi stranger or a lingering conversation with a good friend we can awaken to the spirituality between people that Martin Buber called I Thou from God in Our Relationships It is possible to infuse every moment of life with meaning from the routine act to the once in a lifetime situation and this first of its kind introduction to Martin Buber s I Thou shows you how Drawing on Jewish tradition the science of human behavior Buber s ideas and the Hasidic stories that he loved Rabbi Dennis Ross illuminates a theology of relationships in easy to understand accessible language You will clearly see how to use the principles of I Thou to create new answers to critical issues in life such as How do I react to others in times of stress How do I relate to strangers How can I take full advantage of the time I have to spend with my loved ones By unlocking the depths in Buber s concepts for spiritual growth Ross supplies you with the tools you need to communicate better love more completely and find the sacred in everyday life
