They might realize that it was in their interest to learn more about the technology that both sides thought would change, planned action and conduct of limited Strategic Warfare.
3. Would anyone disagree with this?	Not really.	Some might be uneasy about our dependence on the Soviets.
4. Would the two nations agree to launch and retrieve satellites?	Yes. The governments had no objection. There was no controversy involved.	Yes. American public was convinced we could not take a decision about this.
