son who gives himself to the art of seeing and hearing Then this book is for you *The Church. Homosexuality. Human Rights.* Ohenewaa Danso,2024-04-24 This book was delivered to me in one word separation I felt it drop in my spirit like a coin I asked in my meditation what about separation what about it The answer is what you have in your hands now reading The title The Church Homosexuality Human rights hardly made any complete sense to me until I was able to liaise it with the mother word separation The title is punctuated for a purpose each of the three nouns is supposed to be a full separate and sovereign entity I mean each is because each exists However the reality of society and relationships challenges this persuasion and thus leaves the reader even me to figure out whether it s worth any effort to marry these sovereign bodies or not The writer s style is passably argumentative it is purposed to allow the reader release him herself into the billowing wave of opinions and facts on the subject so as to arrive at the shore of conviction that is very personal and independent in nature One could agree or disagree with me when I say that the of the three bodies constituting the title human rights cannot be recognized as a sovereign entity because it is owned by others all humans for that matter The same claim cannot be made for the remaining two Church is a person wife and sovereign homosexual is a person and sovereign Human rights therefore exist only as the middleman mandated to oversee the peaceful coexistence of the two But how is this peaceful coexistence to be attained rather organically For a start the middleman has asked the church and the homosexual to move a step away from entrenched positions identities and ideologies to the common floor of united sovereigns Tolerance is the only way out says the middleman But will the two commit to this tolerance method or like some contracting states of the UN will they resort to the game of unfaithfulness it s human right when it suits us and when it s convenient to get by Whatever your view whatever your prevailing conviction whatever your deeply held belief and whatever your well thought through stance regarding the marriage of the two sovereigns that is what this book in essence is about taking a stand □□□□□□ □□ Dag
