Artful Misdirection English Edition:

The Language of the Birds K.A. Merson, 2025-05-13 A brilliant but solitary teenager must unlock ciphers unearth buried clues and reckon with the outside world as she pursues an ancient secret in this brainteasing puzzle filled mystery A must read for fans of puzzle books and intelligent suspense Meg Shaffer bestselling author of *The Wishing Game* and *The Lost Story* A delight for readers who enjoy sifting through clues and poring over evidence alongside the hero racing to see which of you can crack the mystery first Ernest Cline bestselling author of *Ready Player One* Seventeen year old Arizona s favorite things include cryptography geocaching the writings of Jules Verne and exploring the Sierra Nevadas on her Russian Ural motorcycle with her dog Mojo riding shotgun in his sidecar She s not in other words your average teenager So when she learns her mother s been kidnapped and finds a cryptic test accompanying the ransom note she s not just horrified but electrified Solving puzzles and cracking codes are what she does best and she knows exactly how to tackle the challenge the kidnappers are dangling in front of her What she doesn t yet realize is that she s been enlisted in a treasure hunt on the trail of an occult centuries old secret her father supposedly took to his grave And if the prize at the end is real it could shake the world As Arizona chases the truth through fiendish puzzles and ancient texts unearthing clues both buried underground and hiding in plain sight in the Western landscape she s forced to navigate the outside world in ways she never has before and begins to forge connections she never dreamed she could Featuring an indomitable young heroine and a plot that ingeniously weaves together real facts into a treasure hunt of epic proportions *The Language of the Birds* is an irresistibly quirky endlessly surprising adventure that will leave readers wondering where the truth ends and fiction begins **LUCIANITY** John Byer, 2021-03-30 *Lucianity the Perverse Religion of Christians* is a book about the hidden history of the New Testament where it not only reveals the scripture s mysterious origin but also its very unique and clandestine creation In this book the reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy For instance he conflated Jesus with God and called him Lord That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth As a consequence of ignorance and the lack of understanding by Lucius man has unknowingly accepted the false and unorthodox beliefs of *Lucianity* which have been incorporated into the creeds gospels epistles and a host of other bible related documents This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse All Christians who number in the billions today will be stunned and perplexed by his findings especially all the ministers who promote the Bible as the true word of God Some of it is and some of

it isn't nevertheless this book identifies God's true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple In like manner the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been bamboozled and conned by a very clever disciple The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop In his writings Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters not the spoken words of Jesus While looking over the Detective's shoulder the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits As such reading the New Testament is generally a waste of time unless one has the persistence capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity No similar criminal investigation of the Bible has ever been completed and no similar book exists If a person is searching for just the facts regarding their Christian faith then the Detective assures all seekers of truth that they will know more about the Bible God Moses Isaiah Daniel and Christ i.e. the Anointed One of God after reading Lucianity than they ever will by reading Biblical scripture And more importantly if they truly understand the message of Jesus Christ as revealed within the pages of this book they should also learn something about themselves no matter their status rank position race or sex their incarnation is not an accident of nature but a self chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth
