Dr. Futurity Philip K. Dick, 2013-04-16 From the author of *Solar Lottery* in a future where death is embraced a time traveling doctor is the only one who can save a wounded resistance leader. When Dr. Jim Parsons wakes up from a car accident he finds himself in a future populated almost entirely by the young. But to keep the world run by the young death is fetishized and those who survive to old age are put down. In such a world Parsons with his innate desire to save lives is a criminal and outcast. But for one revolutionary group he may be just the savior they need to heal and revive their cryogenically frozen leader. And when he and the group journey to 1500s California what they find causes them to question what they know about history and the underpinnings of their society. With the jarring immediacy of a car crash Philip K. Dick throws both the reader and protagonist of *Dr. Futurity* into a bizarre future where healing is a crime and youth rules. **The Variable Man** Philip K. Dick, 2021-01-01 Philip K. Dick's *The Variable Man* is a short science fiction story. This story was first published in the year 1952 in a magazine named *the Planet Stories*.
