Under the Influence Desire Smith, 2023-12-14 When Gabrielle met Michael she had been betrayed Her heart was shattered and she vowed never to love again Then came Michael charismatic witty handsome the epitome of her prince charming He is a preacher a man of the cloth what was there to fear Gabrielle was afraid to let anyone close but Michael won her trust She would later learn that darkness lurks at the edge of light

Hymns and Hymnody: Historical and Theological Introductions, Volume 2 Mark A. Lamport, Benjamin K. Forrest, Vernon M. Whaley, 2019-05-24 Hymns and the music the church sings in worship are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a sixty chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature

The Good and Beautiful You James Bryan Smith, 2022-05-26 The Christian faith is about much more than belief and practices it s also about the kind of people that we become Yet some of the biggest barriers to our transformation come from our own toxic narratives about ourselves narratives that shape the way we see ourselves and the way we interact with the world We are made with a deep longing in our souls to be wanted loved alive and connected to God Healing our souls requires more than knowing what God thinks about us Our healing comes not through reason alone but through revelation The best practice I have seen in Christian spiritual formation was Dallas Willard s endorsement of the Good and Beautiful series a decade ago Now this fourth book in the series *The Good and Beautiful You* addresses the self narratives that hinder spiritual growth and the desires of the soul that only God can satisfy James Bryan Smith reminds us how Scripture reveals the beauty and goodness of our own souls and how we long for healing that only God can provide Complete with spiritual practices that help us live into that reality The

Good and Beautiful You will serve as a welcome companion on your journey to discover who you truly are in Christ
