Handbook of the Sociology of Sexualities John DeLamater, Rebecca F. Plante, 2015-06-19 This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course. These contributions include analyses of the dynamics of several types of contemporary sexual relationships e.g. short term long term non exclusive and committed. Chapters analyze the influence of major social institutions e.g. religion family and economy on them. The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases dating marriage commercial sex work sex education with new and cutting edge materials embodiment Trans asexualities. Sections review major theoretical perspectives and the principal research methods. Coverage of sexual orientation is integrated throughout. This volume provides excellent resources for anyone interested in research on sexualities.

Asian Transnational Organized Crime and Its Impact on the U. S. James O. Finckenauer, 2010-11 The research goals of this study were to a) determine high priority areas for research on Asian transnational organized crime TOC b) assess the impact of Asian TOC on the U.S. 3) identify relevant data and information sources in Asia and 4) identify potential collaborative research partners and institutions in Asia. The aim was thus not to examine in detail the organized crime situation in this region but rather to lay the foundation for a research agenda and strategy that would accomplish that purpose. The sites covered by this research are China Hong Kong Macau Taiwan Japan Philippines Thailand and Cambodia. Includes recommendations for further collaborative research. Illustrations.
