The Child Safeguarding Policy Guide for Churches and Ministries Basyle Tchividjian, Shira M.

Berkovits, 2017-08-07 Churches are supposed to be a safe haven but many deal with the tragic reality of child sexual abuse. This guide, supported by a multidisciplinary team of child abuse experts, helps churches and faith communities formulate policies and procedures to protect children and address possible abuse in their ministries. *Debating the Faith: Religion*

and Letter Writing in Great Britain, 1550-1800 Anne Dunan-Page, Clotilde Prunier, 2012-11-05 The first book to address the role of correspondence in the study of religion. *Debating the Faith: Religion and Letter Writing in Great Britain 1550-1800* shows how letters shaped religious debate in early modern and Enlightenment Britain and discusses the materiality of the letters as well as questions of form and genre. Particular attention is paid to the contexts in which letters were composed, sent, read, distributed, and then destroyed, copied, or printed in periods of religious tolerance or persecution. The opening section, *Protestant identities*, examines the importance of letters in the shaping of British protestantism from the underground correspondence of Protestant martyrs in the reign of Mary I to dissident letters after the Act of Toleration. *Representations of British Catholicism* explores the way English, Irish, and Scottish Catholics, whether in exile or at home, defined their faith, established epistolary networks, and addressed political and religious allegiances in the face of adversity. The last part, *Religion, science, and philosophy*, focuses on the religious content of correspondence between natural scientists and philosophers. *The New Jerusalem Messenger*, 1869

7 Lessons for New Pastors, Second Edition Matthew D. Kim, 2020-12-17 In *7 Lessons for New Pastors*, leading author Matthew D. Kim gives seminarians and new pastors a behind-the-scenes look at the life of a pastor. Drawing on his own experience as a senior pastor and the wisdom of seasoned pastors, Kim seeks to prepare future ministers mentally, emotionally, physically, relationally, and spiritually for the first year so that it can be a solid foundation for a lifetime of effective ministry. Both new and experienced pastors will profit from reading this book. This second edition is revised and expanded, including questions for personal or group reflection and two bonus mini-lessons.

Church-Rates: a second letter to the People of England, exposing the fallacies by which the Abolitionists have attempted to weaken the force of his first letter. By J. E. N. Molesworth John Edward Nassau MOLESWORTH, 1836

Sermons in 1 & 2 Corinthians R. J.

Rushdoony, 2023-06-09 Rushdoony's *Sermons in First and Second Corinthians* are the last of his Biblical commentaries delivered shortly before his passing, but they represent a fitting close to his teaching ministry. He said Paul's letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth, the long list of sins included division, strife, injustice, immorality, doctrinal error, and the abuse of the sacraments. Despite their many transgressions, the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ. They were still Christ's embassy on earth. They could still develop into a greater training center for Christian action.

This is why Paul's letters to the Corinthians are relevant to the church today and it's also why Rushdoony's sermons on these two epistles are invaluable to us now. Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God's advancing Kingdom and the church as the equipping center for the saints. Rushdoony's fresh application of Paul's warnings and admonitions will help Christians, pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom.

THE NEED FOR A GODLY SOCIAL ORDER

The church could not hope in time to rule the world if it could not rule itself. It was thus very important for Paul to bring the Corinthians back into obedience to God's law among other things. The apostle Paul was an envoy to the ekklesia of Jesus Christ; those who are called to establish God's Kingdom on earth. Therefore the importance of his patient correction and instruction could not be diminished if he were to be faithful to the One who sent him. The church is Christ's embassy to earth to reclaim what belongs to Him. Against the backdrop of a history filled with hatred for God and hatred of all that is holy, our greater calling is the establishing of a godly social order, and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility.

A Letter to a Friend on Puseyism ... Macleod Wylie, 1842

Dan Taylor (1738-1816), Baptist Leader and Pioneering Evangelical Richard T. Pollard, 2018-07-31

Dan Taylor was a leading English eighteenth-century General Baptist minister and founder of the New Connexion of General Baptists, a revival movement. This book provides considerable new light on the theological thinking of this important evangelical figure. The major themes examined are Taylor's spiritual formation, soteriology, understanding of the atonement, beliefs regarding the means and process of conversion, ecclesiology, approach to baptism, the Lord's Supper and worship, and missiology. The nature of Taylor's evangelicalism, its central characteristics, underlying tendencies, evidence of the shaping influence of certain Enlightenment values, and ways that it was outworked, reflect that which was distinct about evangelicalism as a movement emerging from the eighteenth-century Evangelical Revival. It is thus especially relevant to recent debates regarding the origins of evangelicalism. Taylor's evangelicalism was particularly marked by its pioneering nature. His propensity for innovation serves as a unifying theme throughout the book, with many of its accompanying patterns of thinking and practical expressions demonstrating that which was distinct about evangelicalism in the eighteenth century.

Tell Her Story Nijay K. Gupta, 2023-03-14

But there is ample evidence in the New Testament that women were respected leaders at the frontier of the gospel ministry. Nijay Gupta shines light on the inspiring contributions of women like Phoebe, Prisca, Junia, Nympha, and more.
