Ancient Greece A Very Short Introduction

Mary Beard, John Henderson

Ancient Greece A Very Short Introduction:

Ancient Greece: A Very Short Introduction Paul Cartledge, 2009-10-22 The contribution of the Ancient Greeks to modern western culture is incalculable In the worlds of art architecture myth literature and philosophy the world we live in would be unrecognizably different without the formative influence of Ancient Greek models Ancient Greek civilization was defined by the city in Greek the polis from which we derive politics It is above all this feature of Greek civilization that has formed its most enduring legacy spawning such key terms as aristocracy oligarchy tyranny and last but by no means least democracy This highly stimulating introduction to Ancient Greece takes the polis as its starting point Paul Cartledge uses the history of eleven major Greek cities to illuminate the most important and informative themes in Ancient Greek history from the first documented use of the Greek language around 1400 BCE through the glories of the Classical and Hellenistic periods to the foundation of the Byzantine empire in around CE 330 Covering everything from politics trade and travel to slavery gender religion and philosophy it provides the ideal concise introduction to the history and culture of this remarkable civilization that helped give birth to the world as we know it [Ancient Greece: A History in Eleven Cities](#) Paul

Cartledge, 2009-10-22 The contribution of the Ancient Greeks to modern western culture is incalculable In the worlds of art architecture myth literature and philosophy the world we live in would be unrecognizably different without the formative influence of Ancient Greek models Ancient Greek civilization was defined by the city in Greek the polis from which we derive politics It is above all this feature of Greek civilization that has formed its most enduring legacy spawning such key terms as aristocracy oligarchy tyranny and last but by no means least democracy This highly stimulating introduction to Ancient Greece takes the polis as its starting point Paul Cartledge uses the history of eleven major Greek cities to illuminate the most important and informative themes in Ancient Greek history from the first documented use of the Greek language around 1400 BCE through the glories of the Classical and Hellenistic periods to the foundation of the Byzantine empire in around CE 330 Covering everything from politics trade and travel to slavery gender religion and philosophy it provides the ideal concise introduction to the history and culture of this remarkable civilization that helped give birth to the world as we know it

[Ancient Greece: A Very Short Introduction](#) Paul Cartledge, 2011-10-27 A highly stimulating Very Short Introduction to the history of Ancient Greek civilization from the first documented use of the Greek language in about 1400 BCE through the glories of the Classical and Hellenistic periods to the foundation of the Byzantine empire in about CE 330 **Alexander the Great** Hugh Bowden, 2014-07-24 Alexander the Great became king of Macedon in 336 BC when he was only 20 years old and died at the age of 32 twelve years later During his reign he conquered the Achaemenid Persian Empire the largest empire that had ever existed leading his army from Greece to Pakistan and from the Libyan desert to the steppes of Central Asia His meteoric career as leader of an alliance of Greek cities Pharaoh of Egypt and King of Persia had a profound effect on the world he moved through Even in his lifetime his achievements became legendary and in the centuries that following his story

was told and retold throughout Europe and the East Greek became the language of power in the Eastern Mediterranean and much of the Near East as powerful Macedonian dynasts carved up Alexander's empire into kingdoms of their own underlaying the flourishing Hellenistic civilization that emerged after his death But what do we really know about Alexander In this Very Short Introduction Hugh Bowden goes behind the usual historical accounts of Alexander's life and career Instead he focuses on the evidence from Alexander's own time letters from officials in Afghanistan Babylonian diaries records from Egyptian temples to try and understand how Alexander appeared to those who encountered him In doing so he also demonstrates the profound influence the legends of his life have had on our historical understanding and the controversy they continue to generate worldwide

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Classics Mary Beard, John Henderson, 2000-02-24 This Very Short Introduction to Classics links a haunting temple on a lonely mountainside to the glory of ancient Greece and the grandeur of Rome and to Classics within modern culture from Jefferson and Byron to Asterix and Ben Hur We are all Classicists we come into touch with the Classics daily in our culture politics medicine architecture language and literature What are the true roots of these influences however and how do our interpretations of these aspects of the Classics differ from their original reception This introduction to the Classics begins with a visit to the British Museum to view the frieze which once decorated the Apollo Temple at Bassae Through these sculptures John Henderson and Mary Beard prompt us to consider the significance of Classics as a means of discovery and enquiry its value in terms of literature philosophy and culture and its importance as a source of imagery

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Spartans Andrew J. Bayliss, 2022-05-12 Very Short Introductions Brilliant Sharp Inspiring The myths surrounding Sparta are as old as the city itself Even in antiquity Sparta was a unique society and considered an enigma The Spartans who fought for freedom against the Persians called themselves equals or peers but their equality was reliant on the ruthless exploitation of the indigenous population known as helots The Spartans often bizarre rules and practices have the capacity to horrify as much they do to fascinate us today Athenian writers were intrigued and appalled in equal measure by a society where weak or disabled babies were said to have been examined carefully by state officials before being dumped off the edge of a cliff Even today their lurid stories have shaped our image of Sparta a society in which cowards were forced to shave off half their beards to dress differently from their peers and who were ultimately shunned to the extent that suicide seemed preferable The legend of Sparta was even perpetuated by later Spartans who ran a thriving

tourist industry that exaggerated the famed brutality of their ancestors This Very Short Introduction separates myth from reality to reveal the best and the worst of the Spartans Andrew Bayliss explores key aspects of Spartan society including their civic structure their day to day lifestyle and traditions such as the krypteia a brutal rite of passage where teenagers were sent into the countryside and ordered to eliminate the biggest and most dangerous helots Alongside this Bayliss also sheds light on the many admirable qualities of ancient Sparta such as their state run education system or the fact that this society was almost unparalleled in the pre modern world for the rights given to Spartan women ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ancient Greece A Very Short Introduction eBooks, including some popular titles.

FAQs About Ancient Greece A Very Short Introduction Books

What is a Ancient Greece A Very Short Introduction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ancient Greece A Very Short Introduction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ancient Greece A Very Short Introduction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ancient Greece A Very Short Introduction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ancient Greece A Very Short Introduction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
