And Some Evangelists:

Evangelism G. Campbell Morgan, 2019-02-01 Outside of personally living for and loving the Lord there is arguably no greater work Christians can undertake than preaching the good news of Jesus Christ to the lost It may be that you do not yet have that burden on your heart or perhaps eternity itself is not yet a reality to you Or perhaps you have that burden but feel like there are no open doors for ministry available to you Your church may be cold and currently making no great impact in your community No matter your current circumstance only believe that the same One who commissions His people for His work also has sufficient resources to enable the work to move forward Only believe that as you dig into the Scriptures perhaps with the help of this book which serves as a biblical guide that the One who cares most for this work can also put that same burden and love into the hearts of you and your church While this book was originally written more than one hundred years ago it appears that it was written for such a time as this The author first challenges the reader regarding the need Then he addresses the church and how to engage your available help Specifics from inviting your community to your evangelistic events to how to conduct successful evangelism meetings are all covered in this invaluable volume Learn what evangelism is what it should look like and how to obtain the power to perform it using this updated edition of a timeless classic to spur you forward

Evangelism Lance Lambert, 2020-04-17 What is God s purpose in evangelism It is clear that the Word of God commands us to preach the gospel to every creature to go into the whole world and make disciples of all nations baptising them in the name of the Father the Son and the Holy Spirit So how do we do it In *Evangelism* Lance opens the scriptures to reveal how the church can practically and effectively preach the gospel to the unsaved world by revealing to them in scripture their need for a Saviour the work of the Saviour and how to receive the Saviour He explains practical means of winning souls and how to follow up with the newly saved to make disciples of the Lord Jesus *Evangelism* is the way by which we gather the materials for the house of God So faith comes by hearing and hearing through the word of Christ
