And Tango Makes Three:

And Tango Makes Three Justin Richardson, Peter Parnell, 2005-06 At New York City's Central Park Zoo two male penguins fall in love and start a family by taking turns sitting on an abandoned egg until it hatches Based on actual events *And Tango Makes Three* Justin Richardson, Peter Parnell, 2015-06-02 At New York City's Central Park Zoo two male penguins fall in love and start a family by taking turns sitting on an abandoned egg until it hatches

2008-04-15 and *Tango makes three* *Miseducation* A. J. Angulo, 2016-04 By investigating how laws myths national aspirations and global relations have recast and at times distorted the key purposes of education this pathbreaking book sheds light on the role of ignorance in shaping ideas public opinion and policy Robert N Proctor author of *Golden Holocaust* Origins of the Cigarette Catastrophe and the Case for Abolition Historical Studies in Education Revue d'histoire de l'éducation

Science, Worldviews and Education Michael Matthews, 2009-07-14 This book has its origins in a special issue of the journal *Science Education* Volume 18 Numbers 6 7 2009 The essay by Costas Skordoulis *Science and Worldviews in the Marxist Tradition* did not appear in that special issue due to a mistake in production scheduling It was published in an earlier issue of the journal Volume 17 Number 6 2008 but has been included in this book version of the special issue As explained in the Introduction the catalyst for the journal special issue was the essay on *Science Worldviews and Education* submitted to the journal by Hugh G Gauch Jr This was circulated to the other contributors who were asked to write their own contribution in the light of the arguments and literature contained in the paper Hugh made brief Responses and Clarifications after the papers were written However the Tanis Edis article on Islam and my own article on Priestley were processed too late to benefit from Hugh's appraisal The journal is associated with the International History Philosophy and Science Teaching Group which was formed in 1987 The group stages biennial international conferences and occasional regional conferences details can be found at www.ihpst.org The group though the journal conferences and its electronic newsletter at www.ihpst.org

Navigating Children's Literature through Controversy, 2023-09-20 This collection focuses on the specific issue of controversy as a cross sectional aspect of contemporary children's and YA literature in a spectrum stretching from national experiences to explore the impact of specific historical economic and social environments on the rise of controversies to international exchanges in which controversies are generated specifically by the interactions between cultures to international contexts that deal with controversies relevant on a global scale By adopting controversy as an adjustable lens for a joined consideration of literary themes narrative or aesthetic solutions translation choices publishing and marketing decisions and discursive practices the volume establishes a diversified collection of chapters that offers new insight into functions of children's and YA literature in contemporary culture

Research Anthology on Developing Critical Thinking Skills in Students Management Association, Information Resources, 2020-10-02 Learning strategies for critical thinking are a vital part of today's curriculum as students have few additional opportunities to learn these skills outside of school environments

Therefore it is essential that educators be given practical strategies for improving their critical thinking skills as well as methods to effectively provide critical thinking skills to their students The Research Anthology on Developing Critical Thinking Skills in Students is a vital reference source that helps to shift and advance the debate on how critical thinking should be taught and offers insights into the significance of critical thinking and its effective integration as a cornerstone of the educational system Highlighting a range of topics such as discourse analysis skill assessment and measurement and critical analysis techniques this multi volume book is ideally designed for teachers instructors instructional designers curriculum developers education professionals administrators policymakers researchers and academicians

Gender and the Science of Difference Jill A. Fisher, 2011 How does contemporary science contribute to our understanding about what it means to be women or men What are the social implications of scientific claims about differences between male and female brains hormones and genes How does culture influence scientific and medical research and its findings about human sexuality especially so called normal and deviant desires and behaviors Gender and the Science of Difference examines how contemporary science shapes and is shaped by gender ideals and images Prior scholarship has illustrated how past cultures of science were infused with patriarchal norms and values that influenced the kinds of research that was conducted and the interpretation of findings about differences between men and women This interdisciplinary volume presents empirical inquiries into today's science including examples of gendered scientific inquiry and medical interventions and research It analyzes how scientific and medical knowledge produces gender norms through an emphasis on sex differences and includes both U S and non U S cases and examples

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory
