Jayroe,2011-01-25 On the outside my life appeared smooth and successful I had been blessed with a loving family a great education And The title of Miss America at an early age But my road held big bumps professionally and personally I seemed stuck on a roller coaster of highs and lows with an inner life that was just as unpredictable When I made the decision to have a disciplined pattern of time with God my faith experience grew wide and deep May this book of devotionals bless all of us in our spiritual journey Some stories are mine others are from friends Lolly Anderson Lisa Boone Reverend Linda Brinkworth Linda Cavanaugh Betty Catching Dr Susan Chambers Coach Sherri Coale Kay Dudley Nancy Ellis Marcy Gardenhire Prudy Gorrell Barbara Green Dr Lori Hansen Deliliah Bernard Hayes Justice Yvonne Kauger First Lady Cathy Keating Charlotte Lankard Donna Lawrence Judy Love Robin Marsh Brenda McDaniel LaDonna Meinders Dr Debra Mitchell Kay Murcer First Lady Donna Nigh Bobbie Roe Jane Thompson Karen Waddell **Hope for Families of Children with Cancer** Lynda T.

Young,Jonathan Ward,2008-01-10 I m sorry to tell you this your child has cancer Each year in America those devastating words thrust parents of more than 12 000 children and adolescents into a frightening dark tunnel dramatically changing the dynamics of each family Because childhood cancer attacks quickly and unexpectedly parents reel bombarded with information regarding treatments tests and decisions as parents echo I ve never felt so alone I feel like I m in a fog From the initial diagnosis and throughout the daunting journey the twelve chapters and resources in Hope for Families of Children with Cancer weave advice support and hope from fellow travelers and professionals who come alongside through encouraging short stories refreshing helpful hints and inspiring scriptures and prayers Many weary parents pull apart as communication breaks down sometimes far apart An added study You niquely Made helps family members appreciate different personalities and methods of coping Overwhelmed families find comfort and courage as writers deal with the struggles parents face balancing needs of their child family the set aside spouses and the invisible ones siblings and self the caregiver the new normal of childhood cancer **Cancer's Gifts with Love & Hope** Robert V. Heffernan,2013-05-17

Imagine being diagnosed with a disease as seemingly minor as melanoma that quickly progresses to stage four cancer where the chances of survival drop to less than 10% in five years And the options are only surgery a handful of tough FDA approved treatments and a risky experimental therapy hundreds of miles from home Usually we think of cancer as an ugly terrifying disease But Bob Heffernan s amazing journey against all odds tells an uplifting story of perseverance hope and positivity that will inspire all cancer patients He found that alongside fear and suffering cancer provides numerous gifts that nourish the human soul Its a story about how we can find goodness and beauty in even the most terrible challenge life throws at us cancer     *Hospital Angel* Jess Levins,2022-08-23 Doctor Angel Carpenter is a doctor but is he an Angel Angel is the former leader of the gang called the Angels He is deeply religious and tries to do the right thing but the right thing is not always legal Some claim he is an actual angel since his terminal cancer patients refuse to die while others feel he should be behind bars Angel developed a holistic method to increase the cure rate for a cancer drug that could save millions of lives but he is arrested as a serial killer since his fingerprints are on the murder weapon He keeps telling people he is not an angel but the crowd surrounding the hospital and his apartment does not believe him An anti religious organization wants him dead and this organization may be more difficult to treat than the cancer affecting his patients They initially offered a million euros for his death and then increased it to five million Assassins converge on Miami for an easy kill and a huge reward They failed to realize one of the female cancer survivors is a member of a mafia family She is indebted to Angel and she pays her debts

*Pilgrim Prayers for People Living with Cancer* Sue Northey,2010-01-01 Northey a cancer survivor has written stories that reflect the lives of people who are living with cancer She shares her own story and writes about other cancer survivors she has met during her years of treatment and attending survival meetings The 33 stories which offer a human side to living with cancer will give insight to those battling cancer and those who care for them The thought provoking and moving stories that end with scripture and prayer will provide readers with the reassurance of God s grace mercy and omnipresence during difficult times     Flowers to Philanthropy Bob Burke,Tom Butler,2004 Foreword by Dr Robert H Schuller     *On the Wings of Pink Angels* Dawn Colclasure,2019-10-07 You have cancer These are words people dread hearing But when worse comes to worst push comes to shove something wonderful happens More people come together for support and encouragement More people participate in Race for the Cure events and more people discover an inner strength within themselves that they never knew they had before On the Wings of Pink Angels offers a gentle hand through this difficult time sharing stories that inspire hope strength gratitude and courage during a time when someone must fight for his or her life against breast cancer
