Angels Versus Virgins:

The virgin Mother according to theology. Transl Jean Baptiste Petitalot,1889 **La Vierge Marie Et Le Plan Divin. The Virgin Mary According to the Gospel. ... Translated by the Vicomtesse de L. S. J., and Sister M. Christopher. ... Edited by ... H. Collins** Jean Jacques Auguste NICOLAS,1876 **The Christian virgin in her family and in the world** Christian virgin,1890 The Virgin Mary According to the Gospel Jean Jacques Auguste Nicolas,1876

Venice's Virgin Mother Berwyn Lewis,2018-07-06 In 17th century Venice a young woman discovers she s pregnant and comes up with a perfect alibi She claims she s had an immaculate conception and will have a virgin birth but this doesn t stop her family from banishing her to a convent Like many convents of the time it is home to one of Venice s worst kept secrets Behind its forbidding looking walls veils and vows do nothing to curb the appetites of the lusty residents including some men Disguised as nuns they enjoy the lavish banquets and balls of convent life with their lovers liberated women who have the freedom to compose music plays and poetry often penned with male pseudonyms and performed to audiences from all walks of life The Doge supports a Venetian virgin birth It will rock religious boats and gondolas strike a blow against Rome s monopoly on virgin births boost Venetian Empire trade and bring the world to Venice s doorstep It isn t the first virgin birth The twin founders of Rome were born of the mythical Rhea Silvia a virgin It had to be just a matter of time before another one popped up and this time it s in Venice and the Doge is all for it Too dangerous to reveal until now this satire and rollicking comedy tells how women struggled with families husbands and other enemies and were dominated by an overzealous church bent on robbing them of their birthright It is also a useful virgin birth DIY and includes tips on creating miracles It speaks to today s world where religion and other superstitions continue to oppress so many and cause so much suffering The Trinity. Angels. Devils. Death. The soul. The Christian scheme. Appendices Adolphe Napoléon Didron,1886

Meditations and Discourses on the Sublime Truths and Important Duties of Christianity Alban Butler,1840 The Ante-Nicene Fathers ,1885 1905 printing Bishop Wendelin J Nold collection *Resurrecting Parts* Taylor Petrey,2015-07-03 During the late second and early third centuries C E the resurrection became a central question for intellectual commentary with increasingly tense divisions between those who interpreted the resurrection as a bodily experience and those who did not The relationship between the resurrected person and their mortal flesh was also a key point of discussion especially in regards to sexual desires body parts and practices Early Christians struggled to articulate how and why these bodily features related to the imagined resurrected self The problems posed by the resurrection thus provoked theological analysis of the mortal body sexual desire and gender *Resurrecting Parts* is the first study to examine the place of gender and sexuality in early Christian debates on the nature of resurrection investigating how the resurrected body has been interpreted by writers of this period in order to address the nature of sexuality and sexual difference In particular Petrey considers the instability of early Christian attempts to separate maleness and femaleness Bodily parts commonly signified sexual difference yet it was

widely thought that future resurrected bodies would not experience desire or reproduction In the absence of sexuality this insistence on difference became difficult to maintain To achieve a common shared identity and status for the resurrected body that nevertheless preserved sexual difference treatises on the resurrection found it necessary to explain how and in what way these parts would be transformed in the resurrection shedding all associations with sexual desires acts and reproduction Exploring a range of early Christian sources from the Greek and Latin fathers to the authors of the Nag Hammadi writings *Resurrecting Parts* is a fascinating resource for scholars interested in gender and sexuality in classical antiquity early Christianity asceticism and of course the resurrection and the body *Man in Nature and Behavior* José María Martínez, 1951
