Angry Enough To Kill The Desperate Series Volume 1:

Desert Kings Book 1: Osman Jennifer Lewis, 2015-01-26 Royal heir Osman Al Kilanjar must choose a bride to claim his throne but he's tired of the gold diggers who flock around him and knows he'll recognize his true mate when he meets her. Film producer Samantha Bechtel has her life mapped out like the shooting script of one of her documentaries but it takes a detour when she breaks down in the desert and is rescued by the commanding and charismatic sheikh. Osman decides to put the local marriage festival she's filming to good use and claim his bride. Sam is shocked by Osman's bold seduction and even more surprised when she finds herself falling under his spell. EXCERPT The scent of his skin filled her nostrils binding them closer together. She wanted to inhale him all the way down to her core and let him fill her up. The roughness of his chin excited her along with his hard jaw and the thick roping muscles of his back. He felt so different from any man she'd ever kissed before more masculine more powerful more demanding and more giving. Passion crackled in his touch and she could hear it in his breath. He was a king or almost king with an entire country at his command and he was totally immersed in kissing her. Samantha Bechtel, mild mannered producer of public television documentaries who didn't have a scrap of makeup on and who had been wearing the same easy care travel attire all day long. His fingers pressed into the flesh of her hips and her body responded with a flare of heat at its core. They'd done nothing but kiss yet already she felt thoroughly ravished. And she wanted more.
