## I. Introduction

### A. Attention Getter:

Once, there lived a guy who is very well-known to have a tiny mustache. He used to have a regime who once rules the world. Can you guess who he is? Yes, he was Adolf Hitler, who rules the Nazi's regime. Do you know that they were the main cause of Holocaust which murdered over a million of innocent children? I bet you don't.

### B. Reveal topic:

So today, I would not be talking about the Nazi's, but about one of the innocent life the Nazi's have taken. She is known to be, Annelies Marie Frank or widely known as Anne Frank.

Anne Frank is just a young little Jewish girl who had been living her life happily. She was born on June 12<sup>th</sup> 1929 in Frankfurt, Germany. She had a father, Otto Frank, mother, Edith Frank and a sister 3 years her senior, named Margot Frank.

Anne Frank is now one of the most influential person in the century

as

she explained the actual events during the World War II. Anne Frank who is a well-acclaimed writer because of her style of writing, explained in her diary about the horrible experience all of them had gone through. Because of that, her name is very much well known worldwide in the history of the world.

From an incident to an inspiring life journey, Anne Frank has definitely captured the hearts of the people.

### C. Credibility Statement:

1. I have been fascinated by the history of Anne Frank for as long as I can remember.
2. I have read, watched and heard about Anne Frank for some times as my friends and I have been discussing about her in our talks.
