Elroy Haverlah

Answers In Genesis Vbs Drama:

Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 *Dramas from Genesis and Exodus* Elroy Haverlah, 2023 Dramas for Genesis and Exodus focuses on presenting popular stories from the Old Testament. Specifically, this volume details the advancement of God's Covenant with Abraham and its progression up to Moses receiving the Ten Commandments. For each story, Elroy Haverlah has created an introduction style skit which draws the congregation or audience into the story's setting. These are designed to present background information, enhance the reading, and create some curiosity as to where the story will go next. He has also included a drama based on each story which allows for all of God's children to participate in these unique accounts. The drama brings the biblical stories to life before your eyes. This self-contained material can be used on its own or in conjunction with a sermon or introduction. These dramas are more than just mere entertainment; each story illustrates the grace of God as he is revealed working through ordinary people like you and me to accomplish his divine intentions. These dramas can be used to take the place of a sermon or when the pastor is unavailable to preach. Of course, this book can be used on retreats, in classes, during camps, as well as among other events and venues. The freedom that Haverlah has offered with his immensely detailed dramas is endless, as he looks to share these stories of the Old Testament with all of God's disciples.
