Answers In Genesis Curriculum:

Already Gone Ken Ham, Britt Beemer, 2009-05-01 Over 100 000 copies in print If you look around in your church today two thirds of the young people who are sitting among us have already left in their hearts soon they will be gone for good This is the alarming conclusion from a study Answers in Genesis commissioned from America s Research Group led by respected researcher Britt Beemer The results may unnerve you they may shake long held assumptions to the core but these results need to be taken seriously by the church Already Gone reveals Why America s churches have lost an entire generation of believers The views of 1 000 twenty somethings solidly raised in the church but no longer attending and their reasons why Relevant statistical data effectively teamed with powerful apologetics The study found that we are losing our kids in elementary middle school and high school rather than college and the Sunday school syndrome is contributing to the epidemic rather than helping alleviate it This is an alarming wake up call for the church showing how our programs and our approaches to Christian education are failing and our children are paying the price Though the statistics reveal a huge disconnect taking place between our children and their church experience Already Gone shows how to fight back for our families our churches and our world We can make a difference today that will affect the statistics of tomorrow in a positive and Christ focused way

American Creationism, Creation Science, and Intelligent Design in the Evangelical Market Benjamin L. Huskinson, 2020-08-19 In this compelling and thoroughly researched book Benjamin Huskinson demonstrates that just as there is broad diversity within evangelicalism so too there is broad diversity among creationists His work on the Intelligent Design movement is superb and he prompts me to rethink my long held conviction that Intelligent Design is merely the most recent evolutionary form of creationism This is a very fine book Randall Balmer Author of *Evangelicalism in America* and writer host of *In the Beginning The Creationist Controversy* Benjamin Huskinson's study of American creationism will be an eye opener for those who sit on the opposite side of the evolution debate He shows that far from being a unified assault on Darwinism the campaign was actually a sequence of separate movements launched by rival evangelical groups competing for influence within their own community Peter Bowler Author of *Monkey Trials and Gorilla Sermons Evolution and Christianity from Darwin to Intelligent Design* A thoughtful and careful analysis that throws as much light on the diversity of American evangelicalism as it does on Christian attitudes to evolutionary theory Huskinson offers a smart analysis of religious anti evolution movements which neither demonises nor ridicules but seeks to understand the tenets and beliefs of a movement far more complex and multivalent than most of us appreciate A must read for science communicators Philippa Levine Walter Prescott Webb Chair in History and Ideas University of Texas at Austin USA This book explores the cultural history of anti evolution efforts in the United States from 1960 to the present refuting several popular narratives about creation science in evangelical America Separating theological terms like creationism from cultural movements such as creation science and intelligent design in an evangelical marketplace of ideas it contests assumptions that evangelical movements against evolution are homogeneous and it argues that intelligent design is not an off shoot of the creation science movement It demonstrates that the rationale of creationist groups is relational as well as ideological showing that the social function of American creationism which is to establish the boundaries of orthodox religion is key to understanding the competing strategies of creation science organisations

How Could a Loving God? Ken Ham, 2007-01-01 It really isn t a fair fight is it The finite against the infinite The limited against the unlimited Is God indifferent to my suffering How do I resolve this anger at God Why didn t God prevent this from happening Will I see loved ones again Or is heaven just a feel good myth People assume Christians have all the answers yet in the face of tragedy death or suffering everyone struggles to find just the right words to bring comfort or closure to those in need Sometimes just hearing It is God s will isn t enough Sometimes just saying God will turn this to good seems so meaningless when despair is so profound Often the pain goes too deep the questions won t go away and even the assurance of faith doesn t help How could God let this happen How can God love us yet allow us to suffer in this way What is the point of this What is the purpose In this provocative new book Ken Ham makes clear answers found in the pages of Scripture powerful definitive and in a way that helps our hearts to go beyond mere acceptance When you grasp the reality of original sin and all that it means it creates a vital foundation for your heart to finally understand what follows

Divided Nation Ken Ham, 2021-06-15 Divided Nation Cultures in Chaos A Conflicted Church provides families and their churches biblical mandates to awaken and arise as influencers in today s turbulent times As Christian persecution increases the Body of Christ needs to prepare to take a bold stand Ken Ham CEO and founder of Answers in Genesis US the highly acclaimed Creation Museum and the world renowned Ark Encounter sounds the call for Reformation bringing God s people back to the authority of the Word of God beginning in Genesis Can the church regain a position of influence among this generation of truth seekers who reject God and His Word To combat today s chaotic culture and the conflicted church Ham addresses five specific issues There is no neutral position There is no non religious position There are ultimately only two religions Creation apologetics How to think foundationally to develop a truly Christian worldview Make a stand for the soul of this generation Divided Nation shines an empowering light on the struggle of the church to retain young believers Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church Divided Nation is an excellent call to Christians pastors and thinkers alike to return to the supreme authority of God s Word and the God of all truth Jack Hibbs Calvary Chapel Chino Hills CA

Cancel the Culture
