Arsen A Broken Love Story English Edition:

His Mate or His Girlfriend Rubyk12,2021-06-01 Rose thought she was just another ordinary high school student with high aspirations to go to college For as long as she can remember it s always been her aunt and her going through the adventure of life together All that changes on her 16th birthday when she learns that the birthmark on her arm is actually the symbol of her birthright to become the Luna to the Alpha of one of the most powerful werewolf packs on the East Coast In a bid to protect her from their enemies Rose was hidden away and her existence became top secret information within the Pack hierarchy However Xavier is now the new Alpha and instead of being eager to claim his Luna he scoffs at the 16 year old stick of a girl claiming she holds no attraction for him He would much rather stay with his girlfriend Alyssa promising to eventually make her Luna of his pack Meanwhile Rose s world is turned upside down when the truth is revealed and she has to leave her old secluded life for her new pack life She could care less about mating with Xavier until Xavier returns from college in Europe and both can t seem to resist the pull of their wolves anymore Whereas before Xavier had been reluctant to go through with the mating ceremony with Rose now he doesn t find it such a horrible thought Join Xavier and Rose on a journey of self fulfillment in which both learn that love is never just a spoken word but reflected in ones deeds and acts As they grow together in a journey to protect their pack will they find love in each other or will Xavier cast her away as he always intended and make Alyssa his mate

Shadow of Black Within Grey D. M. Francis,2019-04-10 At the end Ella was viewed as a crack whore when found in such tragic circumstances by those who knew little about her A law student she was bright and full of life Married and devoted to the love of her life and their adorable son she was loved to the end It was one of those unique times when the sheer brutalities of humanity from every global angle could be witnessed evidence that war crimes continue in other disguises Detroit and its people were trudging through a powerful existential crisis questioning the very foundations of life and the acts of living The symptoms of mass neurosis perpetuating hopelessness deep within its roots and disparity had been growing a paradigm of primal survival eat or be eaten The once grand Motor City had now all but crumbled Prosperity had now been replaced with cocaine crack heroin prostitution and all manner of human slavery trading bodies sanity and souls for food within its many dark alleys for survival It was an escape from the terrors of the gaping lack of hope power and purpose It s no wonder then that Ella unwittingly tripped and fell into the fate that became inevitable
