Art Models Life Nude Photos For The Visual Arts:

Art Models Douglas A. Johnson, Maureen T. Johnson, 2006-01-01 Includes DVD Rom Artists can easily access the human form outside of the studio with this solid pictorial reference More than 500 crisp photographs portray a diverse set of models in 100 poses ranging from the classical to the everyday and show the positions from a variety of angles including overhead Exquisitely detailed photos of particular body parts and precise lighting reveal otherwise hidden areas of the models while providing rich shadowing and tone The inspiring photographs in this collection are ideal for both students and more advanced artists who are looking for material to supplement a live model class or to hone their skills from the comfort of home

Art Models 4 Maureen Johnson, Douglas Johnson, 2009-09 While no book can replace a live model this photographic guide to the human form provides an array of figures for those who do not have access to live models The latest in the series this guide features two new models and an entirely new collection of photographs Posed in a variety of classical and modern positions the models appear in a clear clean environment that is void of distractions and enhances the figure All of the high resolution photographs were painstakingly edited and adjusted to yield all the nuances of the figures The PC and Mac compatible companion CD ROM contains 24 photographs per pose that in total comprise a full 360 degree view Each angle of every pose can be enlarged enabling artists to zoom in on specific body parts to discover their intricate detail or project the photos to lifelike proportions The CD also offers the flexibility of numerous viewing options on a computer screen printed out projected for a group or via a high definition television when connected through a computer

Art Models 5 Maureen Johnson, Douglas Johnson, 2010 Whether for work on a finished piece trying a new technique or getting in some practice time this figure study enables artists to work when and where they want with their choice of model pose and view The latest in the series features 12 new male and female art models as well as Becca from the previous book in a collection of poses selected by readers and visitors to the authors website The contrast has also been increased in many of the photos to provide deeper more challenging shadows While the guide includes individuals and couples with a wide range of body types in natural relaxed stances as well as some inspired by classical works of art the primary focus is on dynamic poses twisting scrunching reaching and even fighting Poses are precisely lit revealing every area of the model and have been carefully chosen to illustrate important effects such as foreshortening and perspective changes A judicious amount of photo retouching is done not to make the models more glamorous or plastic but to remove distractions that detract from the essence of the models The PC and Mac compatible DVD ROM included in the book features more than 1 200 high resolution photos available in a number of viewing options on a computer screen printed out projected for a group or via a high definition television Each angle of every pose may also be enlarged enabling artists to zoom in on specific body parts to achieve a higher level of detail
