Nicklaus Suino

Art Eishin Iaido Japanese Manual Ryu Swordsmanship:

The Art of Japanese Swordsmanship Nicklaus Suino, 2008-07-08 The original purpose of iaido was to slay an opponent with one stroke of the sword upon unsheathing today it is practiced as a martial art one that improves concentration develops strength and coordination and cultivates awareness of an ancient culture and its traditions This manual of Eishin Ryu or Pure Faith iaido teaches the most widely practiced sword style and is illustrated with step by step drawings to help students from beginners to advanced hone their forms and techniques Introductory chapters explain the history and evolution of the art the Japanese sword and related equipment and the etiquette and code of the samurai while an extensive glossary and bibliography are provided for further reference

Strategy in Japanese Swordsmanship Nicklaus Suino, 2020-04-14 After years of practicing persistently and developing technical prowess advanced students in the Japanese sword arts need to cultivate a strategic mind if they are to advance to the rarefied level of master swordsperson Rather than passively absorbing the sword techniques an ambitious student needs to focus more directly on the two ultimate goals of the art to cut the opponent while avoiding being cut and to move toward perfection of character In Strategy in Japanese Swordsmanship the third volume in his invaluable series on Japanese swordsmanship Nicklaus Suino one of the most respected swordsmen in the United States clearly and concisely presents a tactical approach to training grounded in these two objectives He provides a framework for learning strategy in swordsmanship and demonstrates techniques and drills that help put the strategies into practice Some of the topics that Suino covers include the nature of strategy timing and distance sword handling the importance of vision and state of mind timing and distancing reading an opponent's intention Suino shows how through careful consideration of the technical issues consistent practice and ceaseless reflection a diligent student can cultivate a strategic mind and learn how to achieve mastery over any opponent To learn more about the author Nicklaus Suino go to www.artofjapaneseswordsmanship.com Click on the thumbnail to view a larger image Page 135

The Sword in Japanese Martial Traditions, Vol. 2 Michael DeMarco, If the Way of the warrior is the soul of Japan their magnificent swords were the tools utilized to form the nation and forge their spirit You'll find an abundance of information in this special anthology in support of this thesis Kimberley Taylor wrote four chapters the first being an interview with 7th dan Matsuo Haruna Haruna offers great advice for practitioners based on his first hand experience Taylor's two highly researched chapters give overviews of two major iaido schools Excellent photos and descriptions of katas accompany the text Taylor's finale is a short piece describing two of his favorite techniques while Deborah Klens Bigman's chapter deals with two of her favorite techniques Another top ranking swordsman Nicklaus Suino gets to the finicky details of sword drawing techniques as performed by masters From his two chapters we learn how to watch for telltale signs of expertise and come to a greater appreciation of the art of drawing the sword Jonathan Seckler's chapter translates and comments on an essay written by Chozanshi Shissai in 1729 He argues that Neo Confucianism rather than Zen became the foundation of swordsmanship and

illustrates how the sword arts began to be appreciated for their use for self development Andrew Bryant s chapter focuses on poems passed down within the Muso Jikiden Eishin ryu School of Iaido These poems correspond to techniques contained within the system created in the 17th century The author presents each poem and offers provides textual descriptions of their corresponding applications with each sword technique illustrated Joseph Svinth s research presents the earliest kendo clubs to form in Canada The socio cultural settings add much flavor to this chapter Information is provided regarding notable instructors training and competitions Another way to better understand a martial tradition of one country is to compare it with another Matthew Galas compares and contrasts sword arts in Germany with the Japanese traditions The focus is on general principles and combat philosophy Devotees to sword practice are well aware that scabbards get damaged Michael Babin s chapter shows how to build a serviceable scabbard according talents of anyone moderately handy with tools The twelve chapters described above should inspire further research and practice in the Japanese sword arts plus bring a greater appreciation for their unique place in world history and culture

Budo Mind and Body Nicklaus Suino, 2007-01-09

A no nonsense guide to the mind body training necessary for budo the study of traditional Japanese martial arts for self cultivation from a sixth degree black belt and iaido teacher Budo is about learning more than how to fight true budo is a way of seeking and uncovering meaning in life Here Nicklaus Suino one of the leading iaido teachers in North America gives expert advice on how to get the most from training in traditional Japanese martial arts such as iaido kendo aikido judo kyudo and karate do He reveals the essential components of budo training including how to determine the principles behind techniques develop physical strength technical strength and strength of character discipline your mind to really focus and be in the present moment

Martial Arts Teachers on Teaching Carol A. Wiley, 1995

Teaching is an art Effective martial arts teachers must not only be competent practitioners but must also develop the communication and interpersonal skills of any good teacher In this collection twenty six experienced martial arts teachers discuss the process of learning and teaching a martial art from the nuts and bolts of teaching technique to the philosophical underpinnings of training

Intrinsic Values of the Japanese Sword Michael DeMarco, M.A., 2015-10-03

The famed samurai sword nihonto represents the pinnacle of bladed weaponry in the Japanese warrior s arsenal This book addresses the sword s intrinsic historic monetary military and artistic values The seven chapters for this particular anthology were selected from materials published in the Journal of Asian Martial Arts Tharp s chapter details aspects of the nihonto that make it unique in the world as a valued objet d art protected by law codes specifically written to preserve these cultural relics even when made by contemporary master smiths DiCristofano writes on sword sketchings which allow the human eye to view details of the sword blade often unnoticed because of the subtlety inherent in the work Hoshino s chapter presents an overview of various blade types His focus on blades leads to the next chapter by Richard Babin on how to make a scabbard Test cutting provides proof of the practicality of the sword and swordsman s technique Peter Ward utilized an ancient diagram of main targets for body cuts and modern

technology to actually view the inner structures of the blade's path along these targets Peritz's chapter presents the Ainu an indigenous group in Japan They incorporated blades made by Japanese smiths according to their own taste Goedkoop's chapter deals with another medium as the master craftsman creates wooden replicas of Japanese swords As you read other books and articles about Japanese swords or practice kendo or iaido or see highly polished blades in a museum the chapters here will enhance your knowledge and appreciation of nihonto and their intrinsic value A Journey in Search of Wholeness and Meaning Rupert Clive Collister, 2010 This book explores the concept that the reality which is created by the consciousness inherent in the Western worldview is exceptionally limiting and probably unsustainable After describing the contexts within which the book was written the author documents his personal journey in search of wholeness and meaning From his experience of this journey he suggests that the wisdom insight and praxis contained within what he describes as the meta narratives of Holism Indigenous cultures and Eastern traditions are manifestations of a holistic consciousness The author explores the concept that a shift to such a holistic consciousness is required in order to redress the imbalance that is evident in all humanity's relationships and he suggests that enabling such a shift in consciousness would have deep implications for the concepts and contexts of community adult learning meaningful work and sustainability **Journal of Asian Martial Arts**, 2005 The Martial Arts Business Arena: Investment, Politics, Profit H. Richard Friman, Ph.D. et al., Yong-jae Ko, Ph.D., Andrew Tharp, Ph.D., Jin-Bing Yang, Ph.D., 2016-09-30 Martial art business related aspects are found at the base level in individual schools and mushroom to a global level in international organizations This anthology includes writings by professionals who offer information and insights into the financial side of the martial arts Chapters focus on related practical matters as profit politics and investment In the first chapter Dr Richard Friman asks If the martial arts are supposed to offer paths to personal growth and enlightenment why are they in practice plagued with displays of rampant egos politics and battles over turf by their practitioners The experience of instruction in the United States suggests that the pursuit of the arts is becoming lost in the pursuit of profit The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin

Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The final chapter by Andrew Tharp presents the history that influenced the value of Japanese swords as works of art The Japanese have created a legal system that has preserved their historical weapons in a way no other society has done Historical sources and current statutes will show how the Japanese created a monopoly that successfully conserved their culture for future generations Although this Japanese phenomenon is extraordinary it also serves to show possibilities for those interested in investing in weaponry from other cultures and augments our appreciation of militaria for their aesthetics Reading this anthology will help martial art students better understand differences between traditional schools and those that focus solely on profit Owners can deepen their business acumen and utilize information provided in these chapters to shape their schools program Of course many are influenced by martial art organizations that may be established on a local level national or international As an addition to your regular studies of martial art techniques and traditions the information you ll find here can certainly broaden one s view of the martial arts as a business arena
