Jewish Dealers and the European Art Market, c. 1860-1940 Silvia Davoli,Tom Stammers,2025-01-23 Before the tragedy of the Holocaust many of the leading art and antiques dealers across Europe were Jewish establishing dynamic cross Channel international and transatlantic networks Aside from a few famous examples however we are only at the beginning of exploring the diversity of Jewish dealers commercial and cultural worlds and reflecting on the particular conditions that made possible their dramatic expansion within the profession Adopting a wider geography than any previous study this book brings together a team of distinguished international contributors to consider Jewish art dealers as an interconnected cohort tied together by common strategies and a shared vulnerability After an extended historiographical introduction the volume presents case studies and trends from 1860 1940 including Jewish family businesses in Western Europe the role of Jews as mediators of art from East Asia the antisemitism and suspicion faced by Jewish dealers Jews as theorists exhibition makers and promoters of modern art and the geographical mobility and professional reinvention of Jewish dealers in times of economic and political crisis With a wide variety of illustrations including paintings decorative arts historic photographs and archival material the volume adopts a mix of methodological approaches to analyse a key chapter in Jewish cultural history and in the history of the international art market Includes Afterword by Charles Dellheim author of *Belonging and Betrayal*

How Jews Made the Art World Modern 2021 *Library of Congress Catalogs* Library of Congress, 1981 *The Spiritual Rococo* Gauvin Alexander Bailey, 2017-07-05 A groundbreaking approach to Rococo religious art and spirituality in Europe and South America The Spiritual Rococo addresses three basic conundrums that impede our understanding of eighteenth century aesthetics and culture Why did the Rococo ostensibly the least spiritual style in the pre Modern canon transform into one of the world's most important modes for adorning sacred spaces And why is Rococo still treated as a decadent nemesis of the Enlightenment when the two had fundamental characteristics in common This book seeks to answer these questions by treating Rococo as a global phenomenon for the first time and by exploring its moral and spiritual dimensions through the lens of populist French religious literature of the day a body of work the author calls the Spiritual Rococo and which has never been applied directly to the arts The book traces Rococo's development from France through Central Europe Portugal Brazil and South America by following a chain of interlocking case studies whether artistic literary or ideological and it also considers the parallel diffusion of the literature of the Spiritual Rococo in these same regions placing particular emphasis on unpublished primary sources such as inventories One of the ultimate goals of this study is to move beyond the cliché of Rococo's frivolity and acknowledge its essential modernity Thoroughly interdisciplinary The Spiritual Rococo not only integrates different art historical fields in novel ways but also interacts with church and social history literary and post colonial studies and anthropology opening up new horizons in these fields Tom L. Freudenheim ,
