

Article 3 Worksheet

1. Choose a third article from your topic folder. Which essay did you choose?

Amnesty or Abolition? Felons, illegals, and the case for a new abolition movement

2. Who is the author of the article? What is his or her background if that info is available? Where was the article first published? You may need to do a google search.

Kelly Lytle Hernandez

3. Why did you or your group choose this essay to discuss?

I could not access the last remaining article because the website needed me to subscribe to see it after visiting multiple times. However, the title suggests the discussion of either getting rid of prison versus pardoning convicts

4. What is the main idea of the article?

How immigration control and mass incarceration developed as systems of social control that frame alienated citizens and criminalized immigrants as a racialized caste of outsiders in the US.

5. What is one major supporting point?

Historically, the quest for immigration control was an anti-abolitionist project. It degraded human rights, fueled forms of racial thinking, and encompassed strategies of exclusion.
