**Psalms for Preaching and Worship** Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and
