

Final Exam Study Guide

Two important things to remember for the final exam:

- 1) The final exam questions are application based. They want you to think about how these course concepts apply to real-world situations, like interacting with teachers, or giving a speech.
- 2) The questions often ask you to choose the *best* or *most likely* answer, so you have to think not just is this answer applicable, but is it the answer that best addresses what the question is asking?

- 3) The three myths of communication
- 4) The characteristics of competent communicators

- 3) Define and understand self-concept
- 4) Define and understand self-disclosure, and understand when it is appropriate and when it isn't
- 5) Define and understand self-serving bias
- 6) Define and be able to identify prototype, stereotype, script

- 2) The relationship between culture and communication
- 3) Strategies and approaches to communicate across difference
