"It is our desire that you become one who is happy with that which you are and with that which you have-while at the same time being eager for more. That is the optimal creative vantage point: To stand on the brink of what is coming, feeling eager, optimistic anticipation-with no feelings of impatience, doubt, or unworthiness hindering the receiving of it-that is the Science of Deliberate Creation at its best."

Ask and It Is Given

Learning to Master Your Desires

BY: ESTHER AND JERRY HICKS - HAY HOUSE © 2004 - 314 PAGES

"There is nothing that you cannot be, do, or have."

- Esther & Jerry Hicks from *Ask and It Is Given*

For those unfamiliar, *Ask and It Is Given* is a book written by Esther and Jerry Hicks who channel the wisdom of a group of beings from another dimension who are collectively called "Abraham."

If you're like me, that freaks you out a bit. :)

Maybe it's my Catholic upbringing or a lack of imagination, but I still get a little uncomfortable with the idea that people channel other beings. In any case, this book rocks. If you haven't read it yet, I recommend you get it. If it's been awhile since you read it, I think it might be time for a re-read!

The book is one big quote. It's pretty much The Bible for the Law of Attraction and (with *The Science of Getting Rich* (see my Notes on that as well)) the foundation of *The Secret*.

I'd pretty much have to copy/paste the book to share all the goodness in it. Alas, that's not the point of these notes; so, I'm going to bring you some of my favorite big ideas and trust you'll enjoy them!

(And, of course, much more importantly, I trust you'll live the ideas the resonate with you!)

THE LAW OF ATTRACTION

"Every thought vibrates, every thought radiates a signal, and every thought attracts a matching signal back. We call that process the Law of Attraction. The Law of Attraction says: That which is like unto itself is drawn. And so, you might see the powerful Law of Attraction as a sort of Universal Manager that sees to it that all thoughts that match one another line up."

That's the best definition of The Law of Attraction I've read.

(Like I said, this book is pretty much The Bible for The Law of Attraction. :)

In the book, Esther and Jerry compare The Law of Attraction to tuning a radio. You want to listen to something on 102.7FM? You don't expect to hear it if your radio's set to 98.7 do you? Of course not. The radio waves of one frequency can only be received by a matching tuner, right?

Same thing in the "real" world.

If you want to receive love and abundance in your life, you need to set your tuner to the same vibrational frequency as love and abundance, no?

To put it bluntly: If you're a jerk, do you expect to receive an overwhelming abundance of love in your life? It's IMPOSSIBLE. You're putting out all kinds of "jerk" energy and that's pretty much what you'll get back.

I can see it in my own life and I'm sure you can, too. Let's take the most mundane example: I'm calling customer service for something. Now, I can be an impatient, angry jerk and guess what?
