Matthew N.O. Sadiku

Asking Seeking Knocking Five Prayers By A Non Trinitarian:

Asking, Seeking, Knocking,... Anonymous, 2014-12-16 This prayer book can help the reader put on the mind of Christ as they plow through the day's journeys temptations and trials. These prayers will remind them of some of the beautiful things that Jesus taught us so they can stay firmly joined to Christ the Vine through whom they can stay firmly connected to God Almighty the Root of all holiness. As the branches we all need very much to receive the Spirit of God the holy energy flowing from God through Jesus and into us in order to be inspired and empowered to serve God and neighbor each day. For the past twenty years as the author prayed or read the Scriptures or listened to sermons whenever he came across a thought that meant something special to him he would jot it down in his little green notebook. In time he would weave some of the more significant thoughts together into the formal prayers that you will find here. Much more than just a collection of pious thoughts these prayers testify to what God has been doing to the author's mind and heart over the years.

PUBLISHER'S NOTE A large print 8 1/2 x 11 paperback edition that includes a collection of shorter prayers and essays by the same author along with the five prayers in this book is being published concurrently with this book. Its title is *We Are Here for You O God Non Trinitarian Prayers Thoughts and Exhortations* ISBN 978 0615702742

Understanding the Trinity David H. Maxfield, 2021-01-06

Understanding the Trinity All three major religions identify with the God of Abraham. They differ in their understanding of Jesus. However one God in three persons is found throughout both Old and New Testament. Getting to know God is critical for understanding the Bible. Yet it seems that many people have not studied this thoroughly and have questions like Is Jesus truly God? If so how or why is Jesus the Son of God? If Jesus knew everything as God why did he pray? If Jesus is God could he have ever sinned? What makes God the Father different? What or who is the Holy Spirit? This book answers all of those questions and more. When people ask Does Jesus love me? The answer is yes Jesus loves us all but this love is conditional. The ways that Jesus loves us are from his own words and covered in the section Jesus loving. How Jesus loves us was demonstrated when he sacrificed his life for us so that we might receive forgiveness and the promise of eternal life. However not all will be saved. There is only one way to heaven and the Bible says it is appointed for everyone to die once then face judgment. Heb 9:27 So there will come a judgment day and whoever rejects Jesus will not have eternal life because God's punishment will remain on them. Joh 3:36 The Bible also says many will abandon the faith. 1 Ti 4:1 This book will help you become more secure in your faith by getting to know God in the Old Testament and knowing Jesus through the Old and New Testament as the Trinity is explained. There is a spiritual battle going on and our eternal destiny is at stake. Satan would like to separate you from God and one method is tempting you to doubt. Beginning in Genesis 3 when tempting Eve he asked did God really say _____. Since then Satan has continued to insinuate we should doubt what God has said or that he can be trusted. You may have heard or even repeated some of the following statements that presumably originated with Satan the father of lies. Why would a loving

God let bad things happen to good people Hell does not exist Why would a loving God send people to hell You do not really believe that Jesus is the only way to God do you That is narrow minded What about other spiritual leaders like the Buddha or Muhammad What about the people who never heard about Jesus When tempted by Satan Jesus quoted the Bible to refute him You need to be prepared to do the same This book is for everyone because most do not study the Bible Seemingly many Christians either just listen to sermons or only sporadically read the Bible Others may read the New testament but skip the Old thinking it is not relevant anymore or find it difficult to understand However we must consider the Bible as a whole to fully appreciate God To make it easy this book is written so you can skim scan or study like speedreading It includes verses and references to Scripture throughout It is like going through the Bible in chronological order As you grow in your knowledge about the Father Son and Holy Spirit you will find the Bible much easier to understand and draw nearer to God

Answer to the Pelagians Saint Augustine, Roland J. Teske, 1999 The four works printed in this volume reply to a series of problems which various Catholic monks of Africa and Gaul found with Augustine's doctrine of grace and predestination They do not deal directly with Pelagianism but are clearly related to the anti Pelagian works of Augustine in their discussions of the doctrines on grace and predestination The monks who raised these questions however posed them as difficulties they faced in accepting these doctrines not as an overt desire to contradict Augustine and the Church as the heretics did The first two works Grace and Free Choice and Rebuke and Grace respond to problems at Hadrumetum where a group of monks thought that Augustine's teaching on grace destroyed free choice and human merits and eliminated the possibility of anyone giving rebukes and exhortations The second two works The Predestination of the Saints and The Gift of Perseverance reply to the letters of Prosper of Aquitaine and Hilary They reported to Augustine the objections of various persons in monastic groups in Gaul who held that the beginning of faith and the initiative for salvation came from the human will not from God These monks also rejected Augustine's doctrine that divine predestination and the grace of final perseverance are utterly gratuitous gifts of God In his responses to the monks concerns Augustine depends on Scripture to prove his points He encourages his questioners to pray for understanding and to thank God for the understanding they have so far which is surely a free gift of God as are he emphasizes grace and eternal life
