Snowflakes in July Warren Bell, 2015-10-20 Flash back to the violent 1970s Domestic terrorist bombs explode in the Pentagon on Capitol Hill at New York police stations and on military bases Prominent moderate leaders are being assassinated And now a New Left terrorist group more radical than the Weather Underground or the Symbionese Liberation Army has a highly placed mole in the Pentagon The mole electrifies the terrorist high command with details of weaknesses in the storage of Navy nuclear weapons Elated the group prepares for a commando raid to steal some of the warheads and force the government to transform the United States into a Marxist society Back in the Pentagon Navy Captain Mike Duquesne a former Vietnam POW becomes suspicious of the mole and launches a secret investigation He enlists the aid of Leslie Thomas a Navy staff lawyer Alerted by her inquiries the terrorists target her for blackmail with photos a youthful indiscretion Luring her to their Virginia hideout

they force her to further incriminate herself under the cryptic codename Headmistress Will Mike's investigation uncover the plot to steal nuclear weapons before the terrorist can mount their raid And what indignities await Leslie at the hands of the radicals in the meantime Snowflakes in July has exciting aerial combat scenes political assassinations terrorist bombings high stakes commando operations hostage abuse and torrid romance *Matterhorn* Karl Marlantes,2009 Lieutenant Waino Mellas and his fellow Marines venture into the mountain jungle of Vietnam as boys and fight their way into manhood confronting external obstacles as well as racial tension competing ambitions and underhanded officers On Blood Road Steve Watkins,2018 Taylor is a rebellious teenager with a habit of sneaking out to hang with his anti war friends so in January 1968 his mother drags him off to Saigon where his father is attached to the United States embassy bored and still rebellious Taylor sneaks out of the embassy to watch the Tet celebrations just as the war erupts all over Vietnam and there he is captured by the North Vietnamese Army and sent North as a prisoner and hostage and during the brutal journey Taylor is forced to confront the realities of war and survival for the first time in his sheltered life Fields of Fire James Webb,2001-08-28 In my opinion the finest of the Vietnam novels Tom Wolfe They each had their reasons for joining the Marines They each had their illusions Goodrich came from Harvard Snake got the tattoo Death Before Dishonor before he got the uniform Hodges was haunted by the ghosts of family heroes They were three young men from different worlds plunged into a white hot murderous realm of jungle warfare as it was fought by one Marine platoon in the An Hoa Basin 1969 They had no way of knowing what awaited them Nothing could have prepared them for the madness to come And in the heat and horror of battle they took on new identities took on one another and were each reborn in fields of fire Fields of Fire is James Webb's classic novel of the Vietnam War a novel of poetic power razor sharp observation and agonizing human truths seen through the prism of nonstop combat Weaving together a cast of vivid characters Fields of Fire captures the journey of unformed men through a man made hell until each man finds his fate Praise for Fields of Fire Few writers since Stephen Crane have portrayed men at war with such a ring of steely truth The Houston Post A stunner Webb gives us an extraordinary range of acutely observed people not one a stereotype and as many different ways of looking at that miserable war Newsweek A novel of such fullness and impact one is tempted to compare it to Norman Mailer's The Naked and the Dead The Oregonian Webb's book has the unmistakable sound of truth acquired the hard way His men hate the war it is a lethal fact cut adrift from personal sense Yet they understand that its profound insanity its blood and oblivion have in some way made them fall in love with battle and with each other Time Arizona Moon James M Graham,2016-10-15 In 1967 the infamous Arizona Territory of Vietnam's An Hoa basin was a crucible that forged the souls of men Through the booby trapped trails of one of the conflict's most hotly contested free fire zones thousands of Vietnamese and Americans fought and died while others learned what it means to finally live Arizona Moon binds together the fates of three men who went to war to find meaning but found only Vietnam Cpl Raymond Strader is a Marine Corps squad leader and designated platoon sniper who is

counting down the days before he can return to Pennsylvania LCpl Noche Gonshayee is an Apache Indian feared by his fellow Marines and who sees any non Apache as a potential enemy Truong Nghi is a North Vietnamese Army NVA student volunteer caught up in patriotic fervor and is helping an NVA unit move munitions south in anticipation of the Tet Offensive Blood is shed when Nghi s NVA unit silently eliminates a listening post lead by Gonshayee and disappears into the night What the Marine platoon finds in the morning doesn t look like an NVA action but murder The comatose Gonshayee is the only suspect Fresh from the Arizona Territory Corporal Strader has only two days and a wakeup remaining of his time in country when bureaucratic expedience rips him away from finalizing his departure paperwork and throws him back into the line of fire His assignment was supposed to be a simple escort mission to bring a prisoner back to An Hoa But when the NVA shoot down the helicopter carrying Strader and Gonshayee a deadly game of cat and mouse breaks out across the face of the Ong Tu Mountains as the NVA desperately try to protect their cargo and the Marines try to save their comrades Through blood bullets and brotherhood the characters of Arizona Moon are cast into the fire of conflict transforming into the men they were destined to become Compelling and relentless Arizona Moon presents two sides of a conflict that epitomizes esprit de corps and leaves no one unscathed *First Blood* David Morrell,2009 First came the man a young wanderer in a fatigue coat and long hair Then came the legend as the character John Rambo took his place in the America imagination This novel pits a young Vietnam veteran against a small town cop who doesn t know what he will unleash after their first ill fated encounter a life and death struggle through the woods the hills and caves of rural Kentucky *American Blood* John Nichols,2014-04 Though Michael Smith cannot forget the pornographic atrocities he witnessed abroad during the Vietnam war it is the pervasive brutality of civilian life that threatens to destroy him *American Blood* is a timely and fiercely moral statement on violence and loss
