The One-Sex Body on Trial: The Classical and Early Modern Evidence Helen King, 2016-02-17 By far the most influential work on the history of the body across a wide range of academic disciplines remains that of Thomas Laqueur This book puts on trial the one sex two sex model of Laqueur's Making Sex Body and Gender from the Greeks to Freud through a detailed exploration of the ways in which two classical stories of sexual difference were told retold and remade from the mid sixteenth to the nineteenth century Agnodike the first midwife who disguises herself as a man and then exposes herself to her potential patients and Phaethousa who grows a beard after her husband leaves her are stories from the ancient world that resonated in the early modern period in particular Tracing the reception of these tales shows how they provided continuity despite considerable change in medicine being the common property of those on different sides of professional disputes about women's roles in both medicine and midwifery The study reveals how different genres used these stories changing their characters and plots but always invoking the authority of the classics in discussions of sexual identity The study raises important questions about the nature of medical knowledge the relationship between texts and observation and the understanding of sexual difference in the early modern world beyond the one sex model

Rethinking Gender in Popular Culture in the 21st Century Astrid M. Fellner, Marta Fernández-Morales, Martina Martausová, 2017-11-06 This book explores popular culture representations of gender offering a rich and accessible discussion of masculinities and femininities in 21st century popular media It brings together contributors from various European countries to investigate the workings of gender in contemporary pop culture products in a brave original and rigorous way This volume is both an academic proposal and an exercise of commitment to a serious analysis of some of the media that influence us most in our everyday lives Representation matters and the position we take as viewers or consumers during reception matters even more
