The ^AAnatomy of Deception Sara E. Gorman,2024-07-19 Veteran health writer Sara Gorman unveils the root of medical mistrust in America and offers actions for rebuilding faith in medicine as a way for healing the schisms of modern day American democracy Shame the Devil Wayne J. Guglielmo,2023-04-15 When the press loses sight of truth and falls prey to bias American press critics push back to safeguard our free and democratic nation Journalists are no strangers to criticism and some have even seen disagreements turn to outrage and acts of violence There is another history of press criticism though This one as a rule doesn't resort to physical threat or denunciation Nevertheless it can be merciless when critics think the press has become too slanted in one direction has fallen short of some ideal is too concentrated for its own good or seems to be underreporting or ignoring some critical story of the day Shame the Devil is a sweeping look at this other history Beginning with Walter Lippmann rightly regarded as the first modern press critic Shame the Devil provides a chapter by chapter profile and analysis of his successors Many critics work within the profession of journalism while some consider it from the outside These include George Seldes A J Liebling Ben Bagdikian Reed Irvine Neil Postman and Noam Chomsky A concluding chapter brings together a diverse group of contemporary critics including Sharyl Attkisson Brooke Gladstone Eric Deggans Amy Goodman Janine Jackson and Candace Owens Merging history biography and a candid analysis of various critical points of view Shame the Devil moves from press commentary in the bitter aftermath of World War I to the head spinning paradoxes of the post truth era Throughout some of America's best critics contend with both the big events of their day and the big issues of journalism to ask the always vital question How can the press help to create and sustain a more democratic society **The Silicon Jungle** Shumeet Baluja,2015-08-25 A suspenseful story about the dangers of unknowingly revealing our most intimate thoughts and actions online What happens when a naive intern is granted unfettered access to people's most private thoughts and actions Stephen Thorpe lands a coveted internship at Ubatoo an Internet empire that provides its users with popular online services from a search engine and e mail to social networking When Stephen's boss asks him to work on a project with the American Coalition for Civil Liberties Stephen innocently obliges believing he is mining Ubatoo's vast databases to protect people unfairly targeted in the name of national security But nothing is as it seems Suspicious individuals surface doing all they can to access Ubatoo's wealth of confidential information This need not require technical wizardry simply knowing how to manipulate a well intentioned intern may be enough The Silicon Jungle is a cautionary fictional tale of data mining's promise and peril Baluja raises ethical questions about contemporary technological innovations and how minute details can be routinely pieced together into rich profiles that reveal our habits goals and secret desires all ready to be exploited The Broadcast Century and Beyond Robert L Hilliard,Michael C Keith,2012-10-02 The Broadcast Century and Beyond is a popular history of the most influential and innovative industry of the century The story of broadcasting is told in a direct and informal style blending personal insight and authoritative

scholarship to fully capture the many facets of this dynamic industry The book vividly depicts the events people programs and companies that made television and radio dominant forms of communication The latest edition includes coverage of all the technologies that have emerged over the past decade and discusses the profound impact they have had on the broadcasting industry in political social and economic spheres Broadcasting as a whole has been completely revolutionized with the advent of YouTube podcasting iphones etc and the authors show how this closing of world wide broadcasting channels affects the industry

Islamic State's Online Propaganda Miron Lakomy,2021-04-28 Explaining the means utilised by the editors of the Islamic State s online magazines to win the hearts and minds of their audiences this book is a result of a multidimensional content analysis of two flagship periodicals of the Islamic State Dabiq and Rumiyah Drawing from a number of theoretical concepts in propaganda studies the research uses comparative analysis to understand the evolution of the modus operandi employed by the editorial staff The volume evaluates the types of arguments used in these magazines as well as the emotions and behaviour that these triggered in readers This book concentrates on the formats and thematic composition of a variety of the Islamic State s e periodicals including Dabiq Rumiyah Dar al Islam or Konstantiniyye from the viewpoint of the constantly changing strategic situation and priorities of the Caliphate The e magazines of the post territorial phase of the Islamic State e g From Dabiq to Rome and Youth of the Caliphate were also taken into consideration Overall this book does not only offer new insights into the propaganda methods of the Islamic State s periodicals but it also summarises their rise and fall between 2014 and 2019 The volume is dedicated mostly to academics and postgraduate students specialised in terrorism studies political violence and security studies

Artificial Intelligence for Customer Relationship Management Boris Galitsky,2020-12-23 The second volume of this research monograph describes a number of applications of Artificial Intelligence in the field of Customer Relationship Management with the focus of solving customer problems We design a system that tries to understand the customer complaint his mood and what can be done to resolve an issue with the product or service To solve a customer problem efficiently we maintain a dialogue with the customer so that the problem can be clarified and multiple ways to fix it can be sought We introduce dialogue management based on discourse analysis a systematic linguistic way to handle the thought process of the author of the content to be delivered We analyze user sentiments and personal traits to tailor dialogue management to individual customers We also design a number of dialogue scenarios for CRM with replies following certain

patterns and propose virtual and social dialogues for various modalities of communication with a customer After we learn to detect fake content deception and hypocrisy we examine the domain of customer complaints We simulate mental states attitudes and emotions of a complainant and try to predict his behavior Having suggested graph based formal representations of complaint scenarios we machine learn them to identify the best action the customer support organization can chose to retain the complainant as a customer

The Future of Fallout, and Other Episodes in Radioactive World-Making Joseph Masco,2020-12-18 In *The Future of Fallout and Other Episodes in Radioactive World Making* Joseph Masco examines the strange American intimacy with and commitment to existential danger Tracking the simultaneous production of nuclear emergency and climate disruption since 1945 he focuses on the psychosocial accommodations as well as the technological revolutions that have produced these linked planetary scale disasters Masco assesses the memory practices visual culture concepts of danger and toxic practices that in combination have generated a U S national security culture that promises ever more safety and comfort in everyday life but does so only by generating and deferring a vast range of violences into the collective future Interrogating how this existential lag i e the material and conceptual fallout of the twentieth century in the form of nuclear weapons and petrochemical capitalism informs life in the twenty first century Masco identifies key moments when other futures were still possible and seeks to activate an alternative postnational security political imaginary in support of collective life today

Ensemble! Jeff Katzman, M.D.,Dan O'Connor,2021-06-01 Drawing on a combined expertise in improvisational theatre and psychiatry author team Dan O Connor and Dr Jeff Katzman show readers how improv skills are the perfect antidote to loneliness and isolation I know what you re thinking Hold on improv Like getting on a stage in front of an audience What if that s not my thing Don t worry this isn t a book about becoming an improv theater expert and it s not really a book about performing It s a book about loneliness about our feelings of disconnection and isolation ones that we may have been experiencing since long before the pandemic More importantly it s a book about becoming unlonely by borrowing from the collaborative and creative tools of improv Authors of *Life Unscripted* Jeff Katzman a professor of psychiatry at the University of New Mexico and Dan O Connor multifaceted actor writer and director have created a process they call Ensembling that helps us build an ensemble of relationships in our lives and more deeply enjoy the groups we already belong to This is a process of becoming a little vulnerable with each other and of embracing the moment in which we find ourselves Drawing on concepts from narrative improvisational theatre and depth psychology the authors present us with the skills we need to connect with each other more actively and meaningfully To ensemble or not to ensemble that is not a question With the rise of loneliness and isolation in an increasingly virtually connected society we must find ways to come together We must ensemble

Reception History and Biblical Studies Emma England,William John Lyons,2015-05-21 How do we begin to carry out such a vast task the examination of three millennia of diverse uses and influences of the biblical texts Where can the interested scholar find information on methods and techniques applicable to

the many and varied ways in which these have happened Through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception as it begins to chart the near infinite series of complex interpretive events that have been generated by the journey of the biblical texts down through the centuries The chapters consider aspects as diverse as political and economic factors cultural location the discipline of Biblical Studies and the impact of scholarly preconceptions upon reception history Topics covered include biblical figures and concepts contemporary music paintings children s Bibles and interpreters as diverse as Calvin Lenin and Nick Cave **F & S Index**
