Preaching to Convert John Fletcher, 2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals Author John Fletcher frames these activities from door to door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors and if evangelicals have appeared at all they often appear as one dimensional forces of ignorance or bigotry against which brave left leaning activists must fight Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel In other words evangelicals are activist performers par excellence The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity s default status in twenty first century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multi million dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book s engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields

Divided Nation Ken Ham, 2021-06-15 Divided Nation Cultures in Chaos A Conflicted Church provides families and their churches biblical mandates to awaken and arise as influencers in today s turbulent times As Christian persecution increases the Body of Christ needs to prepare to take a bold stand Ken Ham CEO and founder of Answers in Genesis US the highly acclaimed Creation Museum and the world renowned Ark Encounter sounds the call for Reformation bringing God s people back to the authority of the Word of God beginning in Genesis Can the church regain a position of influence among this generation of truth seekers who reject God and His Word To combat today s chaotic culture and the conflicted church Ham addresses five specific issues There is no neutral position There is no non religious

position There are ultimately only two religions Creation apologetics How to think foundationally to develop a truly Christian worldview Make a stand for the soul of this generation Divided Nation shines an empowering light on the struggle of the church to retain young believers Glean from it the issues that must be addressed and find clarity amid the chaos of the culturally conflicted church Divided Nation is an excellent call to Christians pastors and thinkers alike to return to the supreme authority of God's Word and the God of all truth Jack Hibbs Calvary Chapel Chino Hills CA *Ready to Return* Britt Beemer, Ken Ham, Jeff Kinley, 2015-09-01 Having grown up in church an alarming percentage of people have now traded in the timeless beliefs of Scripture for a more comfortable postmodern faith or secular worldview They have waded so deep into the culture that the current has swept them away with the pluralism of biblical compromise and secular indoctrination *Ready to Return* explores Why this is happening and more importantly what can be done about it to help bring back a godly generation New persuasive research that clearly reveals shocking details about views on the Church and faith by people in their 20s known as millennials Conclusive evidence we cannot ignore showing a lack of effective biblical apologetics in homes and churches compromise with secular beliefs secular education and failures on the part of previous generations contributes greatly to this dilemma Within these pages is more than just a clinical diagnosis of the Church's current condition and how we got here It's a simple and powerful call to return to the Church's fundamental mission to reach the world If we are to bring back this lost generation we need a proven strategy and willingness to present truth a biblical battle plan and spiritual soldiers *Baptist Bulletin*, 2000 *Standard Lesson Commentary* FehI.
