Love Deception Life Animesh Pandey, 2018-02-22 As the title Love Deception Life itself exemplifies that the entire novel deals with the philosophy of life It can be called as an autobiographical work but at the same time it

carries myriad lofty concepts The writer throughout the novel expresses his life s experiences whether it is love friendship family or whatever came in his journey yet He vividly described his childhood days family issues college life and of course several other incidence of his social life Perhaps coping with the life s complexities at such a tender age compelled the writer to convert his emotions into words resulting in a beautiful piece of work Which is why the novel depicts the reality of life the ugly truth Nevertheless the ideas and support of his family friends and of course the Almighty bestowed him to bring up the contented work After reading the novel a reader can find several facts of life the realism or Pragmatism One can relate the story to one s own life and its incidence or experiences Simultaneously a reader can grasp the literal truths of life The entire novel is helpful in guiding a typical reader to be in the real world rather than in virtual world Furthermore this book is a better way to lessen the stereotypes The novel ends with an optimistic view leading the reader to an affirmative outlook No doubt the entire book is quite enthralling and fun to read
