

THE 21-DAY DETOX PLAN— LET THE CLEANSING BEGIN!

You are about to embark on a life-changing journey toward perfect health, a more empowered way of living, and ultimately a more empowered you. Are you pumped? Wave-your-arms-above-your-head-while-doing-an-embarrassing-dance excited? You should be! If you truly commit to this program and the goals you want to accomplish over the next 21 days, you will emerge with a renewed sense of positivity, joy, and well-being. Just do the very best you can and know that I have total faith in you!

This program is not designed to force you into a cookie-cutter plan that doesn't allow you to experience it in the way that works best for you. But I don't want to leave you entirely without guidance either, which is why each day will include a sort of "detox to-do" list to guide you through the program and help you achieve the best results possible. Your Daily Detox To-Do will include the following:

- **A Morning Cleansing Drink**—Most studies show that drinking juice in the morning (on an empty stomach and alone) is the best time of day to reap all its benefits because the nutrients will be absorbed more easily when it doesn't have other food to interfere with your body's cleansing. Furthermore, the vitamin-packed fruits and vegetables will not only provide you with the energy needed to start the day, but they will help balance your blood sugars and keep them balanced all day long. I will make a daily suggestion, but feel free to refer to the recipe section for your deliciously juicy options.
- **Daily Prep**—Staying organized and prepared is crucial to staying on track, so each day I advise you to prepare your meals for the day as much in advance as possible. This includes having all tools and equipment (Tupperware, water bottle, and so on) ready to go. Refer to page 3 for a refresher on how to prep and stay organized. This also involves choosing which recipes you are going to enjoy that day. Refer to your meal plan on pages 160–161 for all your tasty options.
- **Daily Affirmation**—The purpose of this program is not to simply detox your body, but also restore a sense of mental well-being and positive self-image. Your daily affirmation is a message you repeat to yourself starting first thing in the morning and carry through the day to help you stay motivated and improve your overall attitude and outlook on life. Refer to page 110 for a deeper look at positive affirmations.
- **Tip or Trick**—Life gets busy, money gets tight, schedules get off course—such is life! But each day I will let you in on my little secrets for staying on track no matter what life throws your way.
- **Lifestyle Upgrade**—These tasks may include incorporating a new food into your diet, drinking more water, performing a fitness challenge, or trying a new mental exercise such as meditation—any task that
