

The new Yamaha 6. A product of some idle thinking.

Fishermen are willing to let the world pass them by.

That's why Yamaha outboard engineers are as concerned about going slow as going fast.

Our new 6-horse, twin-cylinder outboard and its big brother 8 are prime examples. Their incredibly smooth slow-speed characteristics will quickly make them favorites of fishermen who like to troll the day away.

© 1988 Yamaha Motor Corporation, U.S.A.

The 6 and 8, like all Yamaha twins, come with a lot of extras that make them an extra-special value. Like 100:1 gas/oil ratio for clean running. An emergency safety lanyard you attach to your belt. A tool

kit for making minor adjustments or repairs. Electric starting is available on all Yamaha twins. Shallow-water drive, from the 25 on down.

And, with every Yamaha, you get our 2-year limited warranty at no extra cost.

Your dealer can point out a lot more advantages of Yamaha's small outboards. Stop in when you have an idle moment.

YAMAHA
Expect a lot.™

For your nearest dealer call 1-800-947-2000.
