

Daily Routine Writing Task

Think about your daily routine from the time you wake up to when you go to bed. Use the questions below to help you plan:

1. What do you do in the morning after you wake up?
2. What do you do during the day? (e.g. go to school, study, play)
3. What do you do in the evening before bed?

Write down some key activities for your routine in the table below:

Time of day	Activity
Morning	
Afternoon	
Evening	

Write a short paragraph about your daily routine.

1. Which part of your routine do you enjoy the most? Why?

2. Is there anything you want to change about your daily routine? Why?

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice KS1 Magical SATs Maths Revision Guide Paul Broadbent, 2008 Based on appealing magical characters the Magical SATs revision guides and workbooks capture pupils imaginations and motivate pupils to prepare for their KS1 and KS2 SATs Ks1 Magical Sats Maths Workbook Paul Broadbent, 2008 Based on appealing magical characters this new Workbook complements the KS1 Maths Revision Guide to fully prepare pupils for their SATs It is specifically aimed at pupils working towards Level 2 **The Times Index** ,2009 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **The Routledge Handbook of the English Writing System** Vivian Cook, Des Ryan, 2016-07-15 The Routledge Handbook of the English Writing System provides a comprehensive account of the English writing system both in its current iteration and highlighting the developing trends that will influence its future Twenty nine chapters written by specialists from around the world cover core linguistic and psychological aspects and also include areas from other disciplines such as typography and computer mediated communication Divided into five parts the volume encompasses a wide range of approaches and addresses issues in the following areas theory and the English writing system discussing the effects of etymology and phonology the history of the English writing system from its earliest development including spelling pronunciation and typography the acquisition and teaching of writing with discussions of literacy issues and dyslexia English writing in use around the world both in the UK and America and also across Europe and Japan computer mediated communication and developments in writing online and on social media The Routledge Handbook of the English Writing System is essential reading for researchers and postgraduate students working in this area Researching Dyslexia in Multilingual Settings Deirdre Martin, 2013-10-04 This volume draws together current research on dyslexia and literacy in multilingual settings across disciplines and methodologies The contributors all internationally recognised in the field address developmental and acquired literacy difficulties and dyslexia in a range of language contexts including EAL EFL The book uses theories and analytical frameworks of a critical nature to reveal prejudicial social practices and suggests future research directions towards a critical re consideration of current understandings of dyslexia in multilingual settings with a view to foregrounding the potential for interdisciplinarity The book also suggests ways forward for evidence informed

practice and it will be a valuable resource for researchers practitioners and students alike Developing Readers in the Middle Years Elaine Millard,1994 Are there developmental stages in reading response Can these be promoted or accelerated by classroom experience The debate about standards in reading has largely ignored such questions and focused on the methods used to introduce children to print in the early years of school Less attention has been given to ways of nurturing the habit once the first stages are past Elaine Millard explores how assumptions about what is pleasurable in reading set an agenda for the middle years which ignores crucial differences in children s reading habits particularly those related to gender She argues that the more advanced reading skills of analysis evaluation and critical response can be introduced to children at this stage but that they require the support of a classroom context that encourages cooperation and which builds on shared habits of reading BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Unlocking Writing Mary Williams,2013-10-11 The underpinning theme of this book is how children develop as writers and how self awareness raises achievement It offers creative approaches to increasing pupil motivation and performance by involving amongst other things Drama and ICT The contributors offer practical advice on ways to meet the needs of boys able children SEN pupils and those learning English as an additional language how to plan effective lessons how to be flexible within the framework of the NLS and the role of assessment and how it contributes to self understanding Central to all classroom practitioners and students this innovative book improves general understanding of the process related to composition and transcription and helps to raise the standards of writing in all classrooms Teaching Assistant's Handbook: Primary Edition Janet Kay,2005-12-08 **The School Librarian** ,2005
