Boys

and Literacy Trisha Maynard, 2004-11-23 In recent years the issue of boys and literacy namely that they are worse at it compared to girls has become a key area of interest to all those concerned with the education of our children This book highlights the key factors causing this divide and discusses the implementation of new strategies to overcome it which have been the result of extensive qualitative research made by the author Trisha Maynard reports case study findings of a primary school whose staff wanted to explore and improve boys attitudes towards and attainment in literacy and in particular their difficulties with writing The book highlights issues concerning the reading and writing of stories what teachers understand by good story writing and the importance of teachers exploring boys and girls difficulties with literacy by themselves It provides significant insight into boys difficulties with writing as well as informing teachers how to find out about children s attainment

Teaching Children with Dyslexia Philomena Ott, 2007-05-07 Teaching Children with Dyslexia is essential reading for any teacher Special Educational Needs Co ordinator or teaching assistant who wants an insider s account of what dealing successfully with dyslexia entails Written by one of the most well regarded practitioners in the field with over twenty

five years experience this book is packed full with photocopiable exercises activities and recommendations for resources tests teaching methods advice and suggestions for strategies and techniques that are instantly transferable to classroom environments This essential teaching companion includes chapters on how to spot dyslexia screening and assessment tests why it does not have to be hell to learn to spell strategies for success for reluctant writers meeting the challenge of dyslexia in adolescence Written specifically to bolster teachers confidence and empower them with the key to unlocking literacy problems in their most challenging pupils this resource book should be on the shelf of every staff room *Young Researchers* Margaret Mallett,2002-02-07 Informational kinds of reading are crucial in every lesson This book looks at how we can encourage children from the very beginning to think of themselves as young researchers using skills and strategies for clear purposes It argues that the creative practitioner nurtures children s sense of wonder and curiosity about the world and all its phenomena Packed full of advice on how to use the most stimulating and exciting texts and the liveliest approaches the book celebrates the good practice of teachers and student teachers in a large number of classroom case studies The content includes a summary of the recent developments and a framework of principles to inform good practice in this challenging aspect of literacy chapters concentrating on particular age groups beginning with the nursery and ending with the later primary years and thus taking up an essentially developmental approach an assessment of recent research and how findings can be put to practical and creative use in the classroom A central message is that children benefit from collaborating with teachers and peers at every stage of finding out The spoken language energises informational reading and writing making the sharing of the fruits of children s research highly enjoyable This book will inspire you and lead to the very best practice Primary English Curriculum Guide Christine Moorcroft,Ray Barker,2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice **Supporting Improving Primary Schools** Paul Lincoln,Geoff Southworth,2005-06-27 Drawn from the experience of the Essex Primary School Improvement programme this book shows how primary schools in the county have improved their standards subsequent to OFSTED inspection It explores the role of the LEA in supporting schools and their efforts to improve It also looks at the collaborative relationship that LEAs and schools can form and the implications for school leadership and for students The book also sheds light on issues of consultancy information and data handling and evaluating school improvement English Christine Moorcroft,2006-10 Complete support for thorough test preparation This KS2 English revision guide provides a concise summary of the work

covered through Years 3 6 and covers all the Reading and Writing skills which may be tested in the National Curriculum Tests SAT S in English for levels 3 5 inclusive
