Matthew McMahon,2020-06-16 One of the greatest depictions of God's providence in Scripture is the historical narrative of Joseph who was sold into slavery and worked under Potiphar the chief steward of Pharaoh Within the course of this narrative while Joseph is in his house Potiphar's wife comes to him many times to lure him off to sin in one of the most bold and forthright temptations to be recorded anywhere in the Bible She had longing wandering eyes and comes to tempt him assaulting him day by day constantly and audaciously Joseph's reaction to this wicked assault is an instant refusal to the temptation How then can I do this great wickedness and sin against God Gen 39 9 What biblical directives can be found in this amazing statement of holiness and godliness From this one text McMahon meticulously explains how Joseph's victory over temptation against Potiphar's wife can be used by the believer today for their own victory to the glory of Jesus Christ Christians need to be prepared to deal with temptation in a manner in which they will be victorious in the power of Christ's Spirit But they can only do this if they understand what Joseph understood in regards to God temptation and the heinous nature of sin He covers such topics as the great evil of sin the relationship between sin and God's holiness how to live faithfully before God's omniscience and omnipresence the nature and character of temptation what it means to resist temptations how holy fear aids the Christian in light of temptation what the Spirit works in a Christian motioning them to holiness how one can cultivate a sensitivity to the Spirit's work the inconsistency in sinning against God how usefulness in God's kingdom is linked to holiness the power of Christ's Gospel as the full remedy to temptation and sin as well as a number of other important considerations He also includes a study on the hedge of protection that is mentioned in Job 1 10 as an appendix to the work This book faithfully explains and applies Genesis 39 9 demonstrating Joseph's godly resolve and the unreasonableness of sinning against God Here you will find what steps you can take following devout Joseph to keep yourself from falling into sin through the craftiness of temptation that you may bring the most glory to Jesus Christ in your walk before God *The 21st Century Great Awakening* Edward T. Holliday,2007 The energy power and purpose for a cogent revival and a 21st century great awakening are found in John 17 21 Even today Jesus prays for us to be unified as the Body of Christ As all Christians are called to be ambassadors for Christ we must present to the world actions for which the spiritually dead will know that we are Christians by our love Though theologies and styles of worship will be different we must lift up the name of Jesus proclaim the Good News and work intentionally for racial and denominational unity These actions are the witness that Jesus proclaims will allow the world to believe that he is the King of kings and the Lord of lords It is time to let
