Consumer Reports Buying Guide Consumer Reports, 2007-11

This is the 2008 edition to get help with trusted product reviews and comparisons **Buying Guide 2008** Consumer

Reports, 2007-11-13 **Machinery Buyers' Guide**, 2003 *KOR* Jan Józef Lipski, 2023-11-10 The signing of the Gdansk

Agreements in August 1980 signaled the birth of the Solidarity independent trade union movement The sixteen months that followed until the December 1981 declaration of martial law remain one of the most fascinating chapters in the history of communist states But the events of August 1980 did not materialize from thin air The groundwork for Solidarity was prepared five years before when a group of dissident intellectuals gathered to boldly proclaim their solidarity with persecuted workers at Random and Ursus This group called itself the Komitet Obrony Robotników KOR or the Workers Defense Committee What was KOR What were the social and political circumstances that led to its formation And how did it presage a movement that would come to symbolize the hopes of a whole generation of Poles The answers to these questions lie in the rare insights provided by one of Poland's most respected historians Jan Jozef Lipski who was also a founder and active member of KOR His book translated from the Polish is a meticulously detailed insider's account of KOR from its formation in 1976 to its dissolution of 1981 when it was subsumed by the more powerful movement of mass organized protest Solidarity The history of KOR is painted on the broad canvass of Polish society in a manner which sheds light on the roles of other

actors workers peasants government officials the Catholic Church the Soviet Union who also had a hand in shaping events during this period KOR A History of the Workers Defense Committee in Poland is a work of first rate importance unlike any other published in the West It provides a deep insight into the origins of events in Poland and will also inform those intersted in the process of liberation elsewhere in Eastern Europe Although written with a historian s attention to detail and objectivity it is a riveting work of sustained dramatic tension For Lipski is a dissident who writes about Poland from Poland and the history he writes about is till in the making This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1985 **Subject Guide to Books in Print** ,1991
