

35 Permutations, Combinations and Probability

Thus far we have been able to list the elements of a sample space by drawing a tree diagram. For large sample spaces tree diagrams become very complex to construct. In this section we discuss counting techniques for finding the number of elements of a sample space or an event without having to list them.

Permutations

Consider the following problem: In how many ways can 8 horses finish in a race (assuming there are no ties)? We can look at this problem as a decision consisting of 8 steps. The first step is the possibility of a horse to finish first in the race, the second step the horse finishes second, ... , the 8th step the horse finishes 8th in the race. Thus, by the Fundamental Principle of counting there are

$$8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 40,320 \text{ ways}$$

This problem exhibits an example of an ordered arrangement, that is, the order the objects are arranged is important. Such ordered arrangement is called a **permutation**. Products such as $8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1$ can be written in a shorthand notation called factorial. That is, $8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 8!$ (read "8 factorial"). In general, we define **n factorial** by

$$n! = \begin{cases} n(n-1)(n-2) \cdots 3 \cdot 2 \cdot 1, & \text{if } n \geq 1 \\ 1, & \text{if } n = 0. \end{cases}$$

where n is a whole number n .

Example 35.1

Evaluate the following expressions:

(a) $6!$ (b) $\frac{10!}{9!}$.

Solution.

(a) $6! = 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1 = 720$

(b) $\frac{10!}{9!} = \frac{10 \cdot 9 \cdot 8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1}{\cancel{9 \cdot 8 \cdot 7 \cdot 6 \cdot 5 \cdot 4 \cdot 3 \cdot 2 \cdot 1}} = 10 \cdot 9 \cdot 8 = 720$ ■

Using factorials we see that the number of permutations of n objects is $n!$.

Introduction to the Probability Theory Taha Sochi,2023-02-07 This book is a collection of notes and solved problems about probability theory The book also contains proposed exercises attached to the solved problems as well as computer codes in C language added to some of these problems for the purpose of calculation test and simulation Illustrations such as figures and tables are added when necessary or appropriate to enhance clarity and improve understanding In most cases intuitive arguments and methods are used to make the notes and solutions natural and instinctive Like my previous books maximum clarity was one of the main objectives and criteria in determining the style of writing presenting and structuring the book as well as selecting its contents However the reader should notice that the book in most parts does not go beyond the basic probability and hence most subjects are presented and treated at their basic level Accordingly modest mathematical background knowledge is required for understanding most of the contents of the book In fact the book in most parts requires no more than a college or secondary school level of general mathematics So the intended readers of the book are primarily college or A level students as well as junior undergraduate students e g in mathematics or science or engineering An interesting feature of the book is that it is written and designed in part to address practical calculational issues e g through sample codes and suggested methods of solution and hence it is especially useful to those who are interested in the calculational applications of the probability theory The book can be used as a text or as a reference for an introductory course on this subject and may also be used for general reading in mathematics The book may also be adopted as a source of pedagogical materials which can supplement for instance tutorial sessions e g in undergraduate courses on mathematics or science **Model Answers in Pure Mathematics for A-Level Students** G.A. Pratt,C.W. Schofield,2014-05-23 Model Answers in Pure Mathematics for A Level Students provides a set of solutions that indicate what is required and expected in an Advanced Level examination in Pure Mathematics This book serves as a guide to the length of answer required layout of the solution and methods of selecting the best approach to any particular type of math problem This compilation intends to supplement not replace the normal textbook and provides a varied selection of questions for practice in addition to the worked solutions The subjects covered in this text include algebra trigonometry coordinate geometry and calculus This publication is valuable to students working through and coping with the practice questions will help them face advanced mathematical examinations with confidence Class 11-12 Math MCQ (Multiple Choice Questions) Arshad Iqbal,2019-05-17 The Class 11 12 Math Multiple Choice Questions MCQ Quiz with Answers PDF College Math MCQ PDF Download Quiz Questions Chapter 1 14 Practice Tests with Answer Key 11th 12th Grade Math Questions Bank MCQs

Answers 35 Permutations Cobbinations Nad Probability Introduction

In the digital age, access to information has become easier than ever before. The ability to download Answers 35 Permutations Cobbinations Nad Probability has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Answers 35 Permutations Cobbinations Nad Probability has opened up a world of possibilities. Downloading Answers 35 Permutations Cobbinations Nad Probability provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Answers 35 Permutations Cobbinations Nad Probability has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Answers 35 Permutations Cobbinations Nad Probability. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Answers 35 Permutations Cobbinations Nad Probability. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Answers 35 Permutations Cobbinations Nad Probability, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities

in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Answers 35 Permutations Cobbinations Nad Probability has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Answers 35 Permutations Cobbinations Nad Probability Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Answers 35 Permutations Cobbinations Nad Probability is one of the best book in our library for free trial. We provide copy of Answers 35 Permutations Cobbinations Nad Probability in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Answers 35 Permutations Cobbinations Nad Probability. Where to download Answers 35 Permutations Cobbinations Nad Probability online for free? Are you looking for Answers 35 Permutations Cobbinations Nad Probability PDF? This is definitely going to save you time and cash in something you should think about.
