Handbook of Community Movements and Local Organizations Ram A. Cnaan, Carl Milofsky, 2007-12-18 Although the way associations and the organization of local social life are intertwined is one of the oldest approaches to community study the way citizens and residents come together informally to act and solve problems has rarely been a primary focus

Associations are central to important and developing areas of social theory and social action This handbook takes voluntary associations as the starting point for making sense of communities It offers a new perspective on voluntary organizations and gives an integrated yet diverse theoretical understanding of this important aspect of community life

Organized Worlds Robert Chia, 2003-09-02 Organized Worlds locates the study of organization within the wider area of social theory It explores in detail the intricate relationships that exist between technology representation and organization The collection includes a chapter from the leading expert in the field Robert Cooper as well as an interview with him Other contributors build upon and extend the findings of Cooper This is a companion volume to *In the Realm of Organization*

Our own gazette, ed. by Mrs. S.
