Question 2

Your class has been talking about electronic gadgets used during online classes. Your teacher has asked you to write an essay about it as your homework.

In your essay, you should write about:

- the best electronic gadget for online learning ^{Smartphone}
- the reasons for it
- applications you used for online learning

Google calendar, G.M, Zoom, Youtube

Use all the notes above and give reasons for your point of view.

Write your essay in 125 – 150 words in an appropriate style.

After a sudden change in lifestyle due to the recent ^{pandemic} Covid-19, I bet every student and teacher had to get used to using electronic gadgets for online lessons when the lockdown was implemented. I am no exception, as I had to face the lockscreen of my smartphone every morning to catch up with all the online classes.

In my honest opinion, I believe that smartphones are the best electronic device for online learning. One of the reasons include it being incredibly convenient, as I get to bring it along with me wherever I go. I don't have to worry about missing any extra online lessons from any subject teachers, as I can just plug in my earphones no matter the location of my whereabouts and listen intently to teacher's voice. I could be relaxing in a cosy cafe as I concentrate on listening to teacher's explanation on complex concepts and theories in the subject of ~~Physics or~~ chemistry.
