My Fight for Survival Fady A. Rizk, 2024-07-02 Fady A Rizk was born in Lebanon in 1963 where his family owned and operated a private hospital On April 13 1975 everything changed a bloody and harrowing civil war began that would last fifteen years claiming the lives of 150 000 and leaving the country in ruins Faced with the prospect of his country's destruction Fady made a fateful decision that would alter the course of his life But that wouldn't be Fady's only fight for survival He moved to America to pursue a better life and an education at Syracuse University He went on to meet the love of his life at his first job in NYC and started a family of his own After talking his way onto the Wall Street trading floors he ended up working for one of the Four Horsemen of Wall Street a captivating journey that led him to NatWest in London and back to the US to work for Anthony Scaramucci's SkyBridge Capital As if his intense battles in the vaulted halls of Wall Street weren't enough in 2013 Fady was diagnosed with multiple myeloma a malady that has occupied his life for the past decade punctuated by a bout with COVID that nearly ended his life But just as he had battled from deepest despair in the front lines of Beirut he survived Told in thrilling and brisk prose with astounding tales of war intrigue perseverance and love Fady A Rizk is a powerful and captivating new voice that will inspire readers in all walks of life particularly those who have faced the same struggles whether in the workplace in the war torn places of the world or in their own personal battle with health and hardship

Local Education Order Stephen Hester, D. W. Francis, 2000-01-01 The studies in this book take an ethnomethodological approach to educational phenomena Ethnomethodology's concern is with the locally accomplished and situated character of social order With reference to educational phenomena this means that ethnomethodology investigates how the natural facts of educational life such as daily activities in school classrooms are produced as such in the first place rather than taking for granted the recognisability of these facts and then theorising their explanation In this sense ethnomethodological studies contrast markedly with other approaches to the study of education Each of the chapters in the book consists of a new and original study Collectively they exhibit the continuing vitality of this tradition and demonstrate ethnomethodology's special commitment to the analysis of educational phenomena as locally ordered and accomplished
