multifunctional forms in English *New Headway* Liz Soars, John Soars, 1996 *New Headway* English Course takes the successful Headway series into an exciting new era It introduces new features to challenge adult and young adult intermediate students and ensure that learning English is interesting and motivating The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently This new intermediate course provides approximately 120 hours of language learning It fits neatly between Headway Pre Intermediate and Headway Upper Intermediate and together with Headway Elementary and Headway Advanced provides a comprehensive language teaching series for today's classrooms **Pronunciation** Christiane Dalton, Barbara Seidlhofer, 1994 The basic principles and terminology of this important but sometimes neglected area are explained in this book Pronunciation helps teachers to understand and evaluate the materials available to them and so approach the teaching of pronunciation with more confidence The book includes over 120 classroom projects which readers can use to develop their pronunciation teaching **Developing Materials for Language Teaching** Brian Tomlinson, 2014-08-01 This supplementary ebook contains the 12 chapters from the first edition of Brian Tomlinson's comprehensive *Developing Materials for Language Teaching* on various aspects of materials development for language teaching that did not for reasons of space appear in the second edition **Education and Society in the Middle East and North Africa** Milton George, S. Sergio Saleem Scatolini, 2020-01-17 In the past the Middle East and the so called Muslim world used to be beacons of learning and critical thought Although historical variables such as conquest internal conflict and colonization demoted their position on the global stage changes are now in the offing In these interesting times a growing number of educators thinkers and visionaries are trying both to find and to generate new approaches to the past present and future of the region This book is a collection of articles which reflect on various aspects related to education and society in the Middle East and North Africa also known as the MENA region their peoples and educational processes It provides a platform for people to join the global conversation and to contribute to it with data which are relevant to regional concerns research and practices This is necessary because many of the theories and research findings which are still being used to understand the region were generated elsewhere and despite their lack of regional representativeness were generalized as the most trustworthy interpretive tools across the world Hence there is a need for the world to open up to the voices from the MENA region **New Headway** Liz Soars, 20??
