 Robles,2019-01-01 The South China Sea Arbitration which marks the first time that the Philippines and China have been
 parties to a compulsory dispute settlement procedure is a landmark legal case The Tribunal tackled head on critical issues in
 the interpretation and application of the UN Convention on the Law of the Sea that other international courts have failed to
 address particularly the compatibility of historic rights with the Convention the identification of maritime features as
 permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime
 zones and those that are not In addition the Tribunal also had to decide on issues as diverse as near collisions at sea illegal
 fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building The Tribunals
 task was rendered arduous by Chinas refusal to appear before it In these circumstances understanding the Tribunals
 decisions is a challenging undertaking Chinas public relations campaign targeting the proceedings raised issues that the
 layperson could readily grasp notably African states support for its non appearance the integrity of the judges and the
 validity of arbitral awards Understanding the Awards and Debating with China aims to facilitate understanding of the South
