Conferring with Young Writers Kristin Ackerman, Jennifer McDonough, 2023-10-10 If you've ever sat down to confer with a child and felt at a loss for what to say or how to help move him or her forward as a writer this book is for you If you are a strong teacher of writing but are not seeing results from your students this book is for you Authors Kristin Ackerman and Jennifer McDonough have been teaching writing for several years and know that conferring can be a murky and messy process perhaps the hardest component of all Written from the lessons they've learned through hard won classroom experience their mistakes and challenges Conferring with Young Writers is based on what Kristin and Jen call the three Fs frequency focus and follow up They've created a classroom management system that offers routine and structure for giving the most effective feedback in a writing conference This book will help writing teachers and students learn to break down and utilize the qualities that enable good writing elaboration voice structure conventions and focus The authors also provide the knowledge and skills it takes to confer well which will help you improve as a writing teacher and give your students the confidence to think of themselves as writers

Mentor Texts Rose Cappelli, 2023-10-10 In their first edition of Mentor Texts authors Lynne Dorfman and Rose Cappelli helped teachers across the country make the most of high quality children's literature in their writing instruction Mentor Texts Teaching Writing Through Children's Literature K-6 2nd Edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation The second edition includes brand new Your Turn Lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies literary devices sentence structures and words Dorfman and Cappelli offer new children's book titles in each chapter and in a carefully curated and annotated Treasure Chest At the end of each chapter a Think About It sTalk About It sWrite About It section invites reflection and conversation with colleagues The book is organized around the characteristics of good writing focus content organization style and conventions The authors write in a friendly and conversational style employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom This practical resource demonstrates the power of learning to read like writers

Learning In Small Moments Daniel Meier, 1997 Chronicles the ups and downs of two young first grade teachers in an urban public school Through rich detailed portraits excerpts from teacher journals student work and lived memories and recollections Daniel Meier shows that the heart of teaching and learning in our culturally diverse urban schools is tied to the overall quality of human interaction in the classroom I know that every classroom teacher will read this with bated breath perhaps even with a small knot in the pit of their stomach at times What will the kids do next Will it have a happy ending I think parents too regardless of race or class will recognize their teachers their children and their schools in this account From the Foreword by Deborah Meier I tell the story of our year together because teachers educators

parents and others are always in need of personal direct accounts from the classroom I hope readers will see and hear and feel the voices in this story according to their own experiences and hopes and dreams for our children and schools From the Introduction

Teaching Beginning Writers David L. Coker, Kristen D. Ritchey, 2015-04-01 An essential how to primer this book examines the process of learning to write and shares evidence based instructional strategies for the primary grades With an emphasis on explicit instruction and scaffolding students learning the authors explain when and how to teach handwriting spelling foundational skills such as sentence formation and editing and composition in specific genres They present clear cut techniques for assessment differentiation and supporting struggling writers The Common Core State Standards CCSS for Writing are used as a framework for setting instructional goals Reproducible assessment forms checklists and rubrics are provided purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2 x 11 size

From Struggling Students to Successful Writers in 7 Easy Steps Joanna Posey, 2009-09 This Volume is the first of 2 volumes that are being released together but under separate covers Volume 1 contains the instructional guide to teach special education students and English language learners to be successful writers in 7 easy steps In view of the increasing educational dropout rate of these special populations this unique simple program offers encouragement hope and success to students who are struggling in developing their writing skills Not only is this program easy to learn and remember but students are able to increase their writing skills in shorter periods of time This Volume contains five no frills bare bones lesson plans along with teacher comments It also includes reproducible Master Guide Sheets and student Self evaluation forms The simplified color coding system is used as a consistent predictable routine in each writing activity This program like no other promotes student self confidence and renewed interest in learning The words I can't write turn into Yes I can However the best kept secret is that these 7 easy steps will help all students Listen to what the kids are saying I had a lot of fun with Steps 1 to 7 They really helped me with my work comments from an 8th grade student The first thing I learned was Steps 1-7 I learned how to write better paragraphs comments from an 8th grade student I learned how to web my ideas using complete sentences comments from an 8th grade student I did really well on my writing assessment because I used the 7 steps comments from a 9th grade student I couldn't write a complete sentence With these steps I can write complete paragraphs and essays for Language Arts and Geography I did well in my writing test too comments from a 9th grade student Listen to what teachers are saying I have been in meetings where parents have commented how effective her writing program has been with helping their kids I've often heard parents express their gratitude for their child's success due to Ms Posey's teaching comments from a junior high teacher After the 9th graders took the writing assessment several of the students commented on how good they felt about their writing abilities that were a direct result of the efforts of Ms Posey comments from a junior high teacher Her strategies and writing techniques resulted in 50% improvement an impressive increase in the scores of resource students for the 9th grade direct writing assessment

This is the highest achievement I've seen in my 30 years of teaching comments from a secondary special education teacher
