Sunday School Teachers' Magazine, and Journal of Education ,1847 *How to Equip Your Sunday School for Life Change* David C. Cook,2000 As Christian educators we want our students to know the Bible Our students need a solid foundation of Scripture learning for doctrine for reproof for education for instruction in righteousness 2 Tim 3 16 At the same time we know that Bible information is not enough Once when Jesus was talking to serious Bible students He had these harsh words to say These are the Scriptures that testify about me yet you refuse to come to me to have life John 5 39 40 What a tragedy people who knew all sorts of Bible details yet had not yielded their lives to Jesus and had not experienced His transforming power But it happened And it can happen in our Sunday schools even with dedicated leaders and teachers What can we do How can we make sure that we are reaching our students and not just covering the lesson material We must choose Bible lessons that students can understand and apply at their own level of development We must build application into the whole lesson and not just tack it on to the end We must follow a comprehensive plan that takes every student at every age through a discipleship process that continues for a lifetime This book will show you how **Report** Michigan.
