MATH EXTENDED RESPONSE

Mrs. Maya wants to put down special floor tile by the front door of her house.
She wants to use 3 different colors of tile in her design.

She also wants $\frac{1}{2}$ of the tiles to be blue, $\frac{1}{4}$ of the tiles to be yellow, and $\frac{1}{4}$ of the tiles to be red.

Using the grid pattern below, design a floor for the entrance of Mrs. Maya's house. Show your work by labeling each tile with the first letter of the color that should be placed there.

[illegible]
