Year 1 Spelling and Handwriting For 2014 Raymond Rodgers, 2014-02-13 2014 UK Curriculum The 2014 UK primary curriculum has statutory requirements for which graphemes spelling patterns should be taught in Year 1 The SaveTeachersSundays.com Year 1 Spelling hence we provide these 3 different versions of each book to accommodate everyone's preferences Why teach cursive joined up writing as early as Year 1 The new curriculum suggests that children should not use cursive joined up writing until they are in Year 2 or Year 3 This is to ensure that children form individual letters correctly before they begin joining letters We agree that this is crucial but with the following conditions 1 Children are taught to form individual letters in a cursive style e.g. the letters f and k otherwise they have to unlearn the style of letter that they were initially taught 2 Children move on to joining their writing as soon as they are secure on how to form each letter otherwise they often become comfortable and quicker writing in a print style and so are reluctant to change to a cursive style 3 Spelling words in a cursive joined up style develops muscle memory for how to spell words in a way that printing them does not Content The easiest way to decide if you should buy the book is to use the Look Inside Feature Each page is designed to cover a single grapheme and begins with a Teaching Tip which explains the spelling rule being covered on that page Children are then presented with a list of words to learn that follow the relevant spelling rule Each word is presented with a colourful child friendly image Note a minority of pages have no images such as for High Frequency words Logical Teaching Sequence Graphemes are introduced in a logical sequence based on a combination of factors 1 how difficult the spelling patterns are to learn 2 the need to give children at least one way of phonetically representing each sound in the English language 3 how often each spelling pattern occurs in the English language Also high frequency words are covered separately from other words Structured Teaching Sequence As much as possible given the requirements of the 2014 primary curriculum children are only introduced to one new grapheme at a time For example the word wrong would not be used to teach the pattern ng if the spelling pattern of wr had not been taught previously
